

## **Amgen to Present at the Merrill Lynch Global Pharmaceutical, Biotech & Medical Devices Conference**

September 16, 2008

THOUSAND OAKS, Calif.--(BUSINESS WIRE)--Sept. 16, 2008--Amgen (NASDAQ:AMGN) will participate in the Merrill Lynch Global Pharmaceutical, Biotech & Medical Devices Conference on Thursday, Sept. 18, 2008, at the Merrill Lynch Financial Centre in London, beginning at 9:50 a.m. United Kingdom Time. Arvind Sood, vice president, Investor Relations for Amgen, will present at the conference. Live audio of the presentation will be available over the Internet and can be accessed from Amgen's Web site, [www.amgen.com](http://www.amgen.com), under Investors.

Information regarding presentation time, webcast availability, and webcast links are available on Amgen's Investor Relations Events Calendar.

### About Amgen

Amgen discovers, develops, manufactures and delivers innovative human therapeutics. A biotechnology pioneer since 1980, Amgen was one of the first companies to realize the new science's promise by bringing safe and effective medicines from lab, to manufacturing plant, to patient. Amgen therapeutics have changed the practice of medicine, helping millions of people around the world in the fight against cancer, kidney disease, rheumatoid arthritis, and other serious illnesses. With a deep and broad pipeline of potential new medicines, Amgen remains committed to advancing science to dramatically improve people's lives. To learn more about our pioneering science and our vital medicines, visit [www.amgen.com](http://www.amgen.com).
