

## Amgen to Present at the Deutsche Bank 36th Annual Healthcare Conference

April 28, 2011

THOUSAND OAKS, Calif., April 28, 2011 /PRNewswire via COMTEX/ --

Amgen (Nasdaq: AMGN) will present at the Deutsche Bank 36th Annual Healthcare Conference on Tuesday, May 3, 2011 at the InterContinental, Boston, Mass., beginning at 9:20 a.m. Eastern Time. Senior Vice President of North America Commercial Operations Jim Daly will present. Live audio of the presentation can be accessed from the Events Calendar on Amgen's website, [www.amgen.com](http://www.amgen.com), under Investors.

### About Amgen

Amgen discovers, develops, manufactures, and delivers innovative human therapeutics. A biotechnology pioneer since 1980, Amgen was one of the first companies to realize the new science's promise by bringing safe, effective medicines from lab to manufacturing plant to patient. Amgen therapeutics have changed the practice of medicine, helping millions of people around the world in the fight against cancer, kidney disease, rheumatoid arthritis, bone disease, and other serious illnesses. With a deep and broad pipeline of potential new medicines, Amgen remains committed to advancing science to dramatically improve people's lives. To learn more about our pioneering science and vital medicines, visit [www.amgen.com](http://www.amgen.com).
