

Amgen to Webcast Investor Meeting at Upcoming American Urological Association Conference

May 13, 2011

THOUSAND OAKS, Calif., May 13, 2011 /PRNewswire via COMTEX/ -- Amgen (NASDAQ: AMGN) will webcast its investor meeting at the upcoming American Urological Association (AUA) Conference on Tuesday, May 17 at 12:00 p.m. Eastern Time. Members of Amgen's scientific and management team and a clinical investigator will participate at the meeting to discuss data being presented at AUA.

Live audio of the conference call will be simultaneously broadcast over the Internet and will be available to members of the news media, investors and the general public.

The webcast of the conference, as with other selected presentations regarding developments in Amgen's business given by management at certain investor and medical conferences, can be found on Amgen's website, <http://www.amgen.com/>, under Investors. Information regarding presentation times, webcast availability, and webcast links are noted on Amgen's Investor Relations Events Calendar. The webcast will be archived and available for replay for 72 hours after the event.

About Amgen

Amgen discovers, develops, manufactures and delivers innovative human therapeutics. A biotechnology pioneer since 1980, Amgen was one of the first companies to realize the new science's promise by bringing safe and effective medicines from lab, to manufacturing plant, to patient. Amgen therapeutics have changed the practice of medicine, helping millions of people around the world in the fight against cancer, kidney disease, rheumatoid arthritis, bone disease and other serious illnesses. With a deep and broad pipeline of potential new medicines, Amgen remains committed to advancing science to dramatically improve people's lives. To learn more about our pioneering science and our vital medicines, visit <http://www.amgen.com/>.
