

Amgen To Participate At Citi's 8th Annual Biotech Conference

August 30, 2013

THOUSAND OAKS, Calif., Aug. 30, 2013 /PRNewswire/ -- Amgen (NASDAQ:AMGN) will participate at Citi's 8th Annual Biotech Conference on Tuesday, Sept. 3, 2013, in Boston, beginning at 2:00 p.m. Eastern Daylight Time. Scott Foraker, vice president and general manager of Biosimilars at Amgen, will participate in a panel at the conference entitled "Biosimilars: Risks & Opportunities – Looking at the Crystal Ball." Live audio of the presentation can be accessed from the Events Calendar on Amgen's website, www.amgen.com, under Investors. A replay of the webcast will also be available on Amgen's website for 90 days following the event.

About Amgen

Amgen is committed to unlocking the potential of biology for patients suffering from serious illnesses by discovering, developing, manufacturing and delivering innovative human therapeutics. This approach begins by using tools like advanced human genetics to unravel the complexities of disease and understand the fundamentals of human biology.

Amgen focuses on areas of high unmet medical need and leverages its biologics manufacturing expertise to strive for solutions that improve health outcomes and dramatically improve people's lives. A biotechnology pioneer since 1980, Amgen has grown to be the world's largest independent biotechnology company, has reached millions of patients around the world and is developing a pipeline of medicines with breakaway potential.
