

Amgen Announces Webcast of First-Quarter 2002 Financial Results

April 12, 2002

THOUSAND OAKS, Calif. April 12, 2002 -- Amgen (NASDAQ:AMGN) today announced that it will report first-quarter 2002 financial results on Thursday, April 25, 2002, after the financial markets close. The announcement will be followed by a conference call at 2:00 PM (PDT) with the investment community, featuring Kevin Sharer, Chairman, CEO and President and other members of Amgen's senior management.

Live audio of the conference call will be simultaneously broadcast over the Internet and will be available to members of the news media, investors and the general public. The conference call is expected to last approximately one hour.

This event can be accessed by going to Amgen's website, www.amgen.com, and clicking on Investor Center, then on Amgen Events. The event will be archived and available for replay for 72 hours after the event.

Amgen is a global biotechnology company that discovers, develops, manufactures and markets important human therapeutics based on advances in cellular and molecular biology.
