(2) an accounting term not otherwise defined has the meaning assigned to it in accordance with United States generally accepted accounting principles as in effect from time to time;

(3) "or" is not exclusive;

(4) "including" means including, without limitation; and

(5) words in the singular include the plural, and words in the plural include the singular.

SECTION 1.05 Acts of Holders.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments (which may take the form of an electronic writing or messaging or otherwise be in accordance with customary procedures of the Depositary or the Trustee) of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing (which may be in electronic form); and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such

instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent (either of which may be in electronic form) shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

(a) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution (or electronic delivery) or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing or delivering such instrument or writing acknowledged to such officer the execution thereof (or electronic delivery). Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing (electronic or otherwise), or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(b) The ownership of Securities shall be proved by the register for the Securities maintained by the Registrar.

(c) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(d) If the Company shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, by or pursuant to a resolution of the Board of Directors, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of outstanding Securities have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the outstanding Securities shall be computed as of such record date; provided that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

## ARTICLE 2

### THE SECURITIES

#### SECTION 2.01 Form and Dating.

The Securities and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A, which is a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule or usage (provided that any such notation, legend or endorsement required by usage is in a form acceptable to the Company). The Company shall provide any such notations, legends or endorsements to the Trustee in writing. Each Security shall be dated the date of its authentication.

(a) Global Securities in General. Each Global Security shall represent such of the outstanding Securities as shall be specified therein and each shall provide that it shall represent the aggregate Principal Amount at Maturity of outstanding Securities from time to time endorsed thereon and that the aggregate Principal Amount at Maturity of outstanding Securities represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges, redemptions and conversions. Except as provided in this Section 2.01, 2.06 or 2.12, owners of beneficial interests in Global Securities will not be entitled to receive physical delivery of Certificated Securities.

Any adjustment of the aggregate Principal Amount at Maturity of a Global Security to reflect the amount of any increase or decrease in the Principal Amount at Maturity of outstanding Securities represented thereby shall be made by the Trustee in accordance with instructions given by the Holder thereof as required by Section 2.12 hereof and shall be made on the records of the Trustee and the Depositary.

(b) Book-Entry Provisions. This Section 2.01(d) shall apply only to Global Securities deposited with or on behalf of the Depositary.

The Company shall execute and the Trustee shall, in accordance with this Section 2.01(b), authenticate and deliver initially one or more Global Securities that (a) shall be registered in the name of the Depositary, (b) shall be delivered by the Trustee to the Depositary or pursuant to the Depositary's instructions and (c) shall bear legends substantially to the following effect:

"UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY TO THE ISSUER OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY (AND ANY PAYMENT HEREON IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR

VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

(c) Certificated Securities. Securities not issued as interests in the Global Securities will be issued in certificated form substantially in the form of Exhibit A attached hereto.

#### SECTION 2.02 Execution and Authentication.

The Securities shall be executed on behalf of the Company by any Officer. The signature of the Officer on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of an individual who was at the time of the execution of the Securities the proper Officer of the Company shall bind the Company, notwithstanding that such individual has ceased to hold such office prior to the authentication and delivery of such Securities or did not hold such office at the date of authentication of such Securities.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein duly executed by the Trustee by manual signature of an authorized officer of the Trustee, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Subject to the terms of Section 13.04 and 13.05 hereof, the Trustee shall authenticate and deliver Securities for original issue in an aggregate Principal Amount at Maturity of up to \$2,359,102,000 (subject to Section 2.07 hereof) upon a Company Order without any further action by the Company. The aggregate Principal Amount at Maturity of Securities outstanding at any time may not exceed the amount set forth in the foregoing sentence, except as provided in Section 2.07.

The Securities shall be issued only in registered form without coupons and only in denominations of \$1,000 of Principal Amount at Maturity and any integral multiple thereof.

The Trustee shall have the right to decline to authenticate and deliver any securities under this Section if the Trustee, being advised by counsel, determines that such action may not be lawfully taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

SECTION 2.03 Registrar, Paying Agent, Conversion Agent and Bid Solicitation Agent.

The Company shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange for other Securities ("Registrar"), an office or agency where Securities may be presented for purchase or payment ("Paying Agent") and an office or agency where Securities may be presented for conversion into Common Stock ("Conversion Agent"). The Company shall also appoint a bid solicitation agent (the "Bid Solicitation Agent") to act pursuant to paragraph 5 of the Securities. The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may have one or more co-registrars, one or more additional paying agents and one or more additional conversion agents. The term Paying Agent includes any additional paying agent, including any named pursuant to Section 4.05. The term Conversion Agent includes any additional conversion agent, including any named pursuant to Section 4.05.

The Company shall enter into an appropriate agency agreement with any Registrar or co-registrar, Paying Agent, Conversion Agent or Bid Solicitation Agent (other than the Trustee). The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar, Paying Agent, Conversion Agent or Bid Solicitation Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any Subsidiary or an Affiliate of either of them may act as Paying Agent, Registrar, Conversion Agent or co-registrar. None of the Company or any Subsidiary or any Affiliate of either of them may act as Bid Solicitation Agent.

The Company initially appoints the Trustee as Registrar, Conversion Agent, Paying Agent and Bid Solicitation Agent in connection with the Securities.

SECTION 2.04 Paying Agent to Hold Money and Securities in Trust.

Except as otherwise provided herein, by no later than 10:00 a.m., New York City time, on or prior to each due date of payments in respect of any Security, the Company shall deposit with the Paying Agent a sum of money (in immediately available funds if deposited on the due date) or Common Stock sufficient to make such payments when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Securityholders or the Trustee all money and Common Stock held by the Paying Agent for the making of payments in respect of the Securities and shall notify the Trustee of any default by the Company in making any such payment. At any time during the continuance of any such default, the Paying Agent shall, upon the written request of the Trustee, forthwith pay to the Trustee all money and Common Stock so held in trust. If the Company, a Subsidiary or an Affiliate of either of them acts as Paying Agent, it shall segregate the money and Common Stock held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money and Common Stock held by it to the Trustee and to account for any funds and Common Stock disbursed by it. Upon doing so, the Paying Agent shall have no further liability for the money or Common Stock.

SECTION 2.05 Securityholder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Securityholders. If the Trustee is not the Registrar, the Company shall cause to be furnished to the Trustee at least semiannually on June 1 and December 1 a listing of Securityholders dated within 15 days of the date on which the list is furnished and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Securityholders.

SECTION 2.06 Transfer and Conversion.

Subject to Section 2.12 hereof,

(a) upon surrender for registration of transfer of any Security, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Securityholder or such Securityholder's attorney duly authorized in writing, at the office or agency of the Company designated as Registrar or co-registrar pursuant to Section 2.03, the Company shall execute, and the Trustee upon receipt of a Company Order shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denomination or denominations, of a like aggregate Principal Amount at Maturity. The Company shall not charge a service charge for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges that may be imposed in connection with the registration of transfer or exchange of the Securities from the Securityholder requesting such registration of transfer or exchange.

At the option of the Holder, Certificated Securities may be exchanged for other Securities of any authorized denomination or denominations, of a like aggregate Principal Amount at Maturity, upon surrender of the Securities to be exchanged, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Securityholder or such Securityholder's attorney duly authorized in writing, at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee upon receipt of a Company Order shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

The Company shall not be required to make, and the Registrar need not register, transfers or exchanges of Securities selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) or any Securities in respect of which a Purchase Notice or Change in Control Purchase Notice has been given and not withdrawn by the Holder thereof in accordance with the terms of this Indenture (except, in the case of Securities to be purchased in part, the portion thereof not to be purchased) or any Securities for a period of 15 days before the mailing of a notice of redemption of Securities to be redeemed.

(b) Notwithstanding any provision to the contrary herein, so long as a Global Security remains outstanding and is held by or on behalf of the Depositary, transfers of a Global Security, in whole or in part, shall be made only in accordance with Section 2.12 and this

Section 2.06(b). Transfers of a Global Security shall be limited to transfers of such Global Security in whole, or in part, to nominees of the Depository or to a successor of the Depository or such successor's nominee.

(c) Successive registrations and registrations of transfers and exchanges as aforesaid may be made from time to time as desired, and each such registration shall be noted on the register for the Securities.

(d) Any Registrar appointed pursuant to Section 2.03 hereof shall provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Securities upon registration of transfer or exchange of Securities.

(e) No Registrar shall be required to make registrations of transfer or exchange of Securities during any periods designated in the text of the Securities or in this Indenture as periods during which such registration of transfers and exchanges need not be made.

#### SECTION 2.07 Replacement Securities.

(a) If (i) any mutilated Security is surrendered to the Trustee, or (ii) the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Security, and there is delivered to the Company and the Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a protected purchaser within the meaning of Article 8 of the Uniform Commercial Code as in effect from time to time in the State of New York (a "Protected Purchaser"), the Company shall execute and upon its written request the Trustee shall authenticate and deliver, in exchange for any such mutilated Security or in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and Principal Amount at Maturity, bearing a number not contemporaneously outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, or is about to be purchased by the Company pursuant to Article 3 hereof, the Company in its discretion may, instead of issuing a new Security, pay or purchase such Security, as the case may be.

(c) Upon the issuance of any new Securities under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(d) Every new Security issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

(e) The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 2.08 Outstanding Securities; Determinations of Holders'

Action.

(a) Securities outstanding at any time are all the Securities authenticated by the Trustee except for those cancelled by it, those paid pursuant to Section 2.07 and delivered to it for cancellation and those described in this Section 2.08 as not outstanding. A Security does not cease to be outstanding because the Company or an Affiliate thereof holds the Security; provided, however, that in determining whether the Holders of the requisite Principal Amount at Maturity of Securities have given or concurred in any request, demand, authorization, direction, notice, consent or waiver hereunder, Securities owned by the Company or any other obligor upon the Securities or any Affiliate of the Company or such other obligor shall be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Securities which a Responsible Officer of the Trustee actually knows to be so owned shall be so disregarded. Subject to the foregoing, only Securities outstanding at the time of such determination shall be considered in any such determination (including, without limitation, determinations pursuant to Articles 6 and 9).

(b) If a Security is replaced pursuant to Section 2.07, the replaced Security ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to each of them that the replaced Security is held by a Protected Purchaser.

(c) If the Paying Agent holds, in accordance with this Indenture, on a Redemption Date, or on the Business Day following the Purchase Date or a Change in Control Purchase Date, or on Stated Maturity, money or securities, if permitted hereunder, sufficient to pay Securities payable on that date, then immediately after such Redemption Date, Purchase Date, Change in Control Purchase Date or Stated Maturity, as the case may be, such Securities shall cease to be outstanding and Original Issue Discount and interest (including contingent interest), if any, on such Securities shall cease to accrue whether or not the Security is delivered to the Paying Agent; provided, that if such Securities are to be redeemed, notice of such redemption has been duly given pursuant to this Indenture.

(d) If a Security is converted in accordance with Article 11, then from and after the time of conversion on the Conversion Date, such Security shall cease to be outstanding and Original Issue Discount and interest (including contingent interest), if any, shall cease to accrue on such Security.

SECTION 2.09 Temporary Securities.

(a) Pending the preparation of definitive Securities, the Company may execute, and the Trustee upon receipt of a Company Order shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as conclusively evidenced by their execution of such Securities.

(b) If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company designated for such purpose pursuant to Section 2.03, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee upon receipt of a Company Order shall authenticate and deliver in exchange therefor a like Principal Amount at Maturity of definitive Securities of authorized denominations. Until so exchanged the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

#### SECTION 2.10 Cancellation.

All Securities surrendered for payment, purchase by the Company pursuant to Article 3, conversion, redemption or registration of transfer or exchange shall, if surrendered to any person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly cancelled by the Trustee. The Company may not issue new Securities to replace Securities it has paid or delivered to the Trustee for cancellation or that any Holder has converted pursuant to Article 11. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of by the Trustee in accordance with the Trustee's customary procedure.

#### SECTION 2.11 Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of the Security or the payment of any Redemption Price, Purchase Price or Change in Control Purchase Price in respect thereof, and interest (including contingent interest, if any) thereon, for the purpose of conversion and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

#### SECTION 2.12 Global Securities.

(a) Notwithstanding any other provisions of this Indenture or the Securities, (A) transfers of a Global Security, in whole or in part, shall be made only in accordance with Section 2.06 and Section 2.12(a)(i), (B) transfer of a beneficial interest in a Global Security for a Certificated Security shall comply with Section 2.06 and Section 2.12(a)(ii) below, and (C) transfers of a Certificated Security shall comply with Section 2.06 and Section 2.12(a)(iii) and (iv) below.

- (i) Transfer of Global Security. A Global Security may not be transferred, in whole or in part, to any Person other than the Depository or a nominee or any successor thereof, and no such transfer to any such other Person may be registered; provided that this clause (i) shall not prohibit any transfer of a Security that is issued in exchange for a Global Security but is not itself a Global Security. No transfer of a Security to any Person shall be effective under this Indenture or the Securities unless and until such Security has been registered in the name of such Person. Nothing in this Section 2.12(a)(i) shall prohibit or render ineffective any transfer of a beneficial interest in a Global Security effected in accordance with the other provisions of this Section 2.12(a).
- (ii) Restrictions on Transfer of a Beneficial Interest in a Global Security for a Certificated Security. A beneficial interest in a Global Security may not be exchanged for a Certificated Security except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a request for transfer of a beneficial interest in a Global Security in accordance with Applicable Procedures for a Certificated Security in the form satisfactory to the Trustee, together with written instructions to the Trustee to make, or direct the Registrar to make, an adjustment on its books and records with respect to such Global Security to reflect a decrease in the aggregate Principal Amount at Maturity of the Securities represented by the Global Security, such instructions to contain information regarding the Depository account to be credited with such decrease,

then the Trustee shall cause, or direct the Registrar to cause, in accordance with the standing instructions and procedures existing between the Depository and the Registrar, the aggregate Principal Amount at Maturity of Securities represented by the Global Security to be decreased by the aggregate Principal Amount at Maturity of the Certificated Security to be issued, shall authenticate and deliver such Certificated Security and shall debit or cause to be debited to the account of the Person specified in such instructions a beneficial interest in the Global Security equal to the Principal Amount at Maturity of the Certificated Security so issued.

- (iii) Transfer and Exchange of Certificated Securities. When Certificated Securities are presented to the Registrar with a request:
  - (x) to register the transfer of such Certificated Securities; or
  - (y) to exchange such Certificated Securities for an equal Principal Amount at Maturity of Certificated Securities of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Certificated Securities surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably

satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

- (iv) Restrictions on Transfer of a Certificated Security for a Beneficial Interest in a Global Security. A Certificated Security may not be exchanged for a beneficial interest in a Global Security except upon satisfaction of the requirements set forth below.

Upon receipt by the Trustee of a Certificated Security, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with written instructions directing the Trustee to make, or to direct the Registrar to make, an adjustment on its books and records with respect to such Global Security to reflect an increase in the aggregate Principal Amount at Maturity of the Securities represented by the Global Security, such instructions to contain information regarding the Depository account to be credited with such increase, then the Trustee shall cancel such Certificated Security and cause, or direct the Registrar to cause, in accordance with the standing instructions and procedures existing between the Depository and the Registrar, the aggregate Principal Amount at Maturity of Securities represented by the Global Security to be increased by the aggregate Principal Amount at Maturity of the Certificated Security to be exchanged, and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Security equal to the Principal Amount at Maturity of the Certificated Security so cancelled. If no Global Securities are then outstanding, the Company shall issue and the Trustee upon receipt of a Company Order shall authenticate a new Global Security in the appropriate Principal Amount at Maturity.

(b) The provisions of clauses (1), (2), (3) and (4) below shall apply only to Global Securities:

(1) Notwithstanding any other provisions of this Indenture or the Securities, except as provided in Section 2.12(a)(ii), a Global Security shall not be exchanged in whole or in part for a Security registered in the name of any Person other than the Depository or one or more nominees thereof, provided that a Global Security may be exchanged for Securities registered in the names of any person designated by the Depository in the event that (i) the Depository has notified the Company that it is unwilling or unable to continue as Depository for such Global Security or such Depository has ceased to be a "clearing agency" registered under the Exchange Act, and a successor Depository is not appointed by the Company within 90 days, (ii) the Company decides to discontinue use of the system of book-entry transfer through DTC (or any successor depository); or (iii) an Event of Default has occurred and is continuing with respect to the Securities. Any Global Security exchanged pursuant to clause (i) or (ii) above shall be so exchanged in whole and not in part, and any Global Security exchanged pursuant to clause (iii) above may be exchanged in whole or from time to time in part as directed by the

Depository. Any Security issued in exchange for a Global Security or any portion thereof shall be a Global Security; provided that any such Security so issued that is registered in the name of a Person other than the Depository or a nominee thereof shall not be a Global Security.

(2) Securities issued in exchange for a Global Security or any portion thereof shall be issued in definitive, fully registered form, without interest coupons, shall have an aggregate Principal Amount at Maturity equal to that of such Global Security or portion thereof to be so exchanged, shall be registered in such names and be in such authorized denominations as the Depository shall designate and shall bear the applicable legends provided for herein. Any Global Security to be exchanged in whole shall be surrendered by the Depository to the Trustee, as Registrar. With regard to any Global Security to be exchanged in part, either such Global Security shall be so surrendered for exchange or, if the Trustee is acting as custodian for the Depository or its nominee with respect to such Global Security, the Principal Amount at Maturity thereof shall be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee. Upon any such surrender or adjustment, the Trustee shall authenticate and deliver the Security issuable on such exchange to or upon the order of the Depository or an authorized representative thereof.

(3) Subject to the provisions of clause (5) below, the registered Holder may grant proxies and otherwise authorize any Person, including Agent Members (as defined below) and persons that may hold interests through Agent Members, to take any action which a holder is entitled to take under this Indenture or the Securities.

(4) In the event of the occurrence of any of the events specified in clause (1) above, the Company will promptly make available to the Trustee a reasonable supply of Certificated Securities in definitive, fully registered form, without interest coupons.

(5) Neither any members of, or participants in, the Depository (collectively, the "Agent Members") nor any other Persons on whose behalf Agent Members may act shall have any rights under this Indenture with respect to any Global Security registered in the name of the Depository or any nominee thereof, or under any such Global Security, and the Depository or such nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and holder of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or such nominee, as the case may be, or impair, as between the Depository, its Agent Members and any other

person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a holder of any Security.

#### SECTION 2.13 CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the CUSIP numbers.

### ARTICLE 3

#### REDEMPTION AND PURCHASES

##### SECTION 3.01 Right to Redeem; Notices to Trustee.

The Company, at its option, may redeem the Securities in accordance with the provisions of paragraphs 6 and 8 of the Securities. If the Company elects to redeem Securities pursuant to paragraph 6 of the Securities, it shall notify the Trustee in writing of the Redemption Date, the Principal Amount at Maturity of Securities to be redeemed, the CUSIP number of Securities to be redeemed, the Redemption Price and the amount of semiannual and contingent interest, if any, payable on the Redemption Date.

The Company shall give the notice to the Trustee provided for in this Section 3.01 by a Company Order, at least 25 days before the Redemption Date (unless a shorter notice shall be satisfactory to the Trustee).

##### SECTION 3.02 Selection of Securities to Be Redeemed.

If less than all the Securities are to be redeemed, the Trustee shall select the Securities to be redeemed pro rata or by lot or by any other method selected by the Trustee in its sole discretion (so long as such method is not prohibited by the rules of any stock exchange on which the Securities are then listed). The Trustee shall make the selection at least 15 days but not more than 60 days before the Redemption Date from outstanding Securities not previously called for redemption.

Securities and portions of them the Trustee selects shall be in Principal Amounts at Maturity of \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Company promptly of the Securities or portions of Securities to be redeemed.

Securities and portions of Securities that are to be redeemed are convertible, pursuant to paragraph 9 of the Securities, by the Holder thereof until the close of business on the second Business Day prior to the Redemption Date. If any Security selected for partial redemption is converted in part before termination of the conversion right with respect to the portion of the Security so selected, the converted portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption. Securities which have been converted during a selection of Securities to be redeemed may be treated by the Trustee as outstanding for the purpose of such selection.

SECTION 3.03 Notice of Redemption.

At least 15 days but not more than 60 days before a Redemption Date, the Company shall mail a notice of redemption by first-class mail, postage prepaid, to each Holder of Securities to be redeemed.

The notice shall identify the Securities to be redeemed and shall state:

- (1) the Redemption Date;
- (2) the Redemption Price and, to the extent known at the time of such notice, the amount of semiannual and contingent interest, if any, payable on the Redemption Date;
- (3) the Conversion Rate;
- (4) the name and address of the Paying Agent and Conversion Agent;
- (5) that Securities called for redemption may be converted at any time before the close of business on the second Business Day immediately preceding the Redemption Date;
- (6) that Holders who want to convert Securities must satisfy the requirements set forth in paragraph 9 of the Securities;
- (7) that Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price and semiannual and contingent interest, if any;
- (8) if fewer than all the outstanding Securities are to be redeemed, the certificate number and Principal Amounts at Maturity of the particular Securities to be redeemed;
- (9) that, unless the Company defaults in making payment of such Redemption Price and semiannual and contingent interest, if any, Original Issue Discount and interest (including semiannual and contingent interest), if any, on Securities called for redemption will cease to accrue on and after the Redemption Date and the Securities will cease to be convertible; and

(10) the CUSIP number of the Securities.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense, provided that the Company provides the Trustee with the form of notice and makes such request at least three Business Days (unless a shorter period shall be satisfactory to the Trustee) prior to the date such notice of redemption must be mailed.

#### SECTION 3.04 Effect of Notice of Redemption.

Once notice of redemption is given, Securities called for redemption become due and payable on the Redemption Date and at the Redemption Price (together with accrued semiannual and contingent interest, if any, to but not including the date of redemption) stated in the notice except for Securities which are converted in accordance with the terms of this Indenture. Upon surrender to the Paying Agent, such Securities shall be paid at the Redemption Price (together with accrued semiannual and contingent interest, if any, to but not including the date of redemption) stated in the notice.

#### SECTION 3.05 Deposit of Redemption Price.

Prior to 10:00 a.m. (New York City time) on any Redemption Date, the Company shall deposit with the Paying Agent (or if the Company or a Subsidiary or an Affiliate of either of them is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the Redemption Price of, and any accrued and unpaid semiannual and contingent interest to but not including the date of redemption with respect to, all Securities to be redeemed on that date other than Securities or portions of Securities called for redemption which on or prior thereto have been delivered by the Company to the Trustee for cancellation or have been converted. The Paying Agent shall as promptly as practicable return to the Company any money, not required for that purpose because of conversion of Securities pursuant to Article 11. If such money is then held by the Company in trust and is not required for such purpose it shall be discharged from such trust.

#### SECTION 3.06 Securities Redeemed in Part.

Upon surrender of a Security that is redeemed in part, the Company shall execute and the Trustee shall authenticate and deliver to the Holder a new Security in an authorized denomination equal in Principal Amount at Maturity to the unredeemed portion of the Security surrendered.

#### SECTION 3.07 Conversion Arrangement on Call for Redemption.

In connection with any redemption of Securities, the Company may arrange for the purchase and conversion of any Securities called for redemption by an agreement with one or more investment banks or other purchasers to purchase such Securities by paying to the Trustee in trust for the Securityholders, on or prior to 10:00 a.m. New York City time on the Redemption Date, an amount that, together with any amounts deposited with the Trustee by the Company for the redemption of such Securities, is not less than the Redemption Price of, and any accrued and unpaid semiannual and contingent interest with respect to, such Securities. Notwithstanding

anything to the contrary contained in this Article 3, the obligation of the Company to pay the Redemption Prices of such Securities shall be deemed to be satisfied and discharged to the extent such amount is so paid by such purchasers. If such an agreement is entered into, any Securities not duly surrendered for conversion by the Holders thereof may, at the option of the Company, be deemed, to the fullest extent permitted by law, acquired by such purchasers from such Holders and (notwithstanding anything to the contrary contained in Article 11) surrendered by such purchasers for conversion, all as of immediately prior to the close of business on the Business Day prior to the Redemption Date, subject to payment of the above amount as aforesaid. The Trustee shall hold and pay to the Holders whose Securities are selected for redemption any such amount paid to it for purchase and conversion in the same manner as it would moneys deposited with it by the Company for the redemption of Securities. Without the Trustee's prior written consent, no arrangement between the Company and such purchasers for the purchase and conversion of any Securities shall increase or otherwise affect any of the powers, duties, responsibilities or obligations of the Trustee as set forth in this Indenture, and the Company agrees to indemnify the Trustee from, and hold it harmless against, any loss, liability or expense arising out of or in connection with any such arrangement for the purchase and conversion of any Securities between the Company and such purchasers, including the costs and expenses incurred by the Trustee in the defense of any claim or liability arising out of or in connection with the exercise or performance of any of its powers, duties, responsibilities or obligations under this Indenture.

#### SECTION 3.08 Purchase of Securities at Option of the Holder.

(a) General. Securities shall be purchased by the Company pursuant to paragraph 7 of the Securities at the option of the Holder thereof, upon:

(1) delivery to the Paying Agent by the Holder of a notice of purchase (a "Purchase Notice") at any time from the opening of business on the date that is 20 Business Days prior to a Purchase Date until the close of business on such Purchase Date stating:

(A) the certificate number of the Security which the Holder will deliver to be purchased,

(B) the portion of the Principal Amount at Maturity of the Security which the Holder will deliver to be purchased, which portion must be a Principal Amount at Maturity of \$1,000 or an integral multiple thereof,

(C) that such Security shall be purchased as of the Purchase Date pursuant to the terms and conditions specified in paragraph 7 of the Securities and in this Indenture; and

(2) delivery of such Security to the Paying Agent prior to, on or after the Purchase Date (together with all necessary endorsements) at the offices of the Paying Agent, such delivery being a condition to receipt by the Holder of the Purchase Price therefor; provided, however, that such Purchase Price shall be so paid pursuant to this Section 3.08 only if the Security so delivered to the Paying

Agent shall conform in all respects to the description thereof in the related Purchase Notice, as determined by the Company.

The Company shall purchase from the Holder thereof, pursuant to this Section 3.08, a portion of a Security if the Principal Amount at Maturity of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to the purchase of all of a Security also apply to the purchase of such portion of such Security.

Any purchase by the Company contemplated pursuant to the provisions of this Section 3.08 shall be consummated by the delivery of the consideration to be received by the Holder (including accrued and unpaid semiannual and contingent interest, if any) on or prior to the third Business Day following the later of the Purchase Date and the time of delivery of the Security.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Purchase Notice contemplated by this Section 3.08(a) shall have the right to withdraw such Purchase Notice at any time prior to the close of business on the Purchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 3.10.

The Paying Agent shall promptly notify the Company of the receipt by it of any Purchase Notice or written notice of withdrawal thereof.

(b) Officers' Certificate. At least three Business Days before the Company Notice Date, the Company shall deliver an Officers' Certificate to the Trustee specifying:

(i) the information required by Section 3.08(d), and

(ii) whether the Company desires the Trustee to give the Company Notice required by Section 3.08(d).

(c) Purchase with Cash. On the third Business Day following the Purchase Date, the Purchase Price of Securities in respect of which a Purchase Notice pursuant to Section 3.08(a) has been given shall be paid by the Company with U.S. legal tender ("cash") equal to the aggregate Purchase Price of such Securities.

(d) Company Notice. The Company's notice of procedures that Holders must follow to require the Company to purchase Securities pursuant to this Section 3.08 (the "Company Notice") shall be sent to Holders (and to beneficial owners as required by applicable law) in the manner provided in Section 13.02 not less than 20 Business Days prior to such Purchase Date (the "Company Notice Date").

Each Company Notice shall include a form of Purchase Notice to be completed by a Securityholder and shall state:

(i) the Purchase Price, the Conversion Rate and, to the extent known at the time of such notice, the amount of semiannual and contingent interest, if any, that will be accrued and payable with respect to the Securities as of the Purchase Date;

(ii) the name and address of the Paying Agent and the Conversion Agent;

(iii) that Securities as to which a Purchase Notice has been given may be converted pursuant to Article 11 hereof only if the applicable Purchase Notice has been withdrawn in accordance with the terms of this Indenture;

(iv) that Securities must be surrendered to the Paying Agent to collect payment of the Purchase Price and contingent interest, if any;

(v) that the Purchase Price for any Security as to which a Purchase Notice has been given and not withdrawn, together with any accrued semiannual and contingent interest payable with respect thereto, will be paid on or prior to the third Business Day following the later of the Purchase Date and the time of surrender of such Security as described in (iv);

(vi) the procedures the Holder must follow to exercise rights under Section 3.08 and a brief description of those rights;

(vii) briefly, the conversion rights of the Securities;

(viii) the procedures for withdrawing a Purchase Notice (including, without limitation, for a conditional withdrawal pursuant to the terms of Section 3.10);

(ix) that, unless the Company defaults in making payment of such Purchase Price and semiannual and contingent interest, if any, Original Issue Discount and interest (including semiannual and contingent interest), if any, on Securities surrendered for purchase will cease to accrue on and after the Purchase Date; and

(x) the CUSIP number of the Securities.

At the Company's request, the Trustee shall give such Company Notice in the Company's name and at the Company's expense; provided, however, that, in all cases, the text of such Company Notice shall be prepared by the Company.

(e) Procedure upon Purchase. The Company shall deposit cash at the time and in the manner as provided in Section 3.11, sufficient to pay the aggregate Purchase Price of, and any accrued and unpaid semiannual and contingent interest with respect to, all Securities to be purchased pursuant to this Section 3.08.

(f) Taxes. Nothing herein shall preclude any income tax withholding required by law or regulations.

SECTION 3.09 Purchase of Securities at Option of the Holder upon Change in Control.

(a) If on or prior to the date specified in paragraph 7 of the Securities, there shall have occurred a Change in Control, Securities shall be purchased by the Company, at the option of the Holder thereof, at a purchase price specified in paragraph 7 of the Securities (the "Change

in Control Purchase Price"), as of the date that is no later than 35 Business Days after the occurrence of the Change in Control but in no event prior to the date on which such Change in Control occurs (the "Change in Control Purchase Date"), subject to satisfaction by or on behalf of the Holder of the requirements set forth in Section 3.09(c).

A "Change in Control" shall be deemed to have occurred at such time as either of the following events shall occur:

(1) any person or group, other than the Company, its Subsidiaries or any employee benefits plan of the Company or its Subsidiaries, files a Schedule 13D or Schedule TO (or any successor schedule, form or report) pursuant to the Exchange Act, disclosing that such person has become the beneficial owner of 50% or more of the voting power of the Common Stock then outstanding or other capital stock into which the Common Stock is reclassified or changed; provided, however, that a person shall not be deemed beneficial owner of, or to own beneficially, (A) any securities tendered pursuant to a tender or exchange offer made by or on behalf of such person or any of such person's Affiliates until such tendered securities are accepted for purchase or exchange thereunder, or (B) any securities if such beneficial ownership (1) arises solely as a result of a revocable proxy delivered in response to a proxy or consent solicitation made pursuant to the applicable rules and regulations under the Exchange Act, and (2) is not also then reportable on Schedule 13D (or any successor schedule) under the Exchange Act; or

(2) the Company consolidates with or merges with or into another person (other than a Subsidiary of the Company), or sells, conveys, transfers or leases all or substantially all of its properties and assets to any person (other than a Subsidiary of the Company) or any person (other than a Subsidiary of the Company) consolidates with or merges with or into the Company, and the outstanding Voting Stock of the Company is reclassified into, converted for or converted into the right to receive any other property or security, provided that none of these circumstances will be a change in control if the persons that beneficially own the Voting Stock of the Company immediately prior to the transaction own, directly or indirectly, shares with a majority of the total voting power of all outstanding Voting Stock of the surviving or transferee person that are entitled to vote generally in the election of that person's board of directors, managers or trustees immediately after the transaction.

For purposes of defining a change in control:

(x) the term "person" and the term "group" have the meanings given by Section 13(d) and 14(d) of the Exchange Act or any successor provisions;

(y) the term "group" includes any group acting for the purpose of acquiring, holding or disposing of securities within the meaning of Rule 13d-5(b)(1) under the Exchange Act or any successor provision; and

(z) the term "beneficial owner" is determined in accordance with Rules 13d-3 and 13d-5 under the Exchange Act or any successor provisions, except that a person will be deemed to have beneficial ownership of all shares that person has the right to acquire irrespective of whether that right is exercisable immediately or only after the passage of time.

(b) Within 15 Business Days after the occurrence of a Change in Control, the Company shall mail a written notice of Change in Control by first-class mail to the Trustee and to each Holder (and to beneficial owners as required by applicable law). The notice shall include a form of Change in Control Purchase Notice to be completed by the Securityholder and shall state:

- (1) briefly, the events causing a Change in Control and the date of such Change in Control;
- (2) the date by which the Change in Control Purchase Notice pursuant to this Section 3.09 must be given;
- (3) the Change in Control Purchase Date;
- (4) the Change in Control Purchase Price and, to the extent known at the time of such notice, the amount of semiannual and contingent interest, if any, that will be accrued and payable with respect to the Securities as of the Change in Control Purchase Date;
- (5) the name and address of the Paying Agent and the Conversion Agent;
- (6) the Conversion Rate and any adjustments thereto;
- (7) that Securities as to which a Change in Control Purchase Notice has been given may be converted pursuant to Article 11 hereof only if the Change in Control Purchase Notice has been withdrawn in accordance with the terms of this Indenture;
- (8) that Securities must be surrendered to the Paying Agent to collect payment of the Change in Control Purchase Price and contingent interest, if any;
- (9) that the Change in Control Purchase Price for any Security as to which a Change in Control Purchase Notice has been duly given and not withdrawn, together with any accrued semiannual and contingent interest payable with respect thereto, will be paid on or prior to the third Business Day following the later of the Change in Control Purchase Date and the time of surrender of such Security as described in (8);
- (10) briefly, the procedures the Holder must follow to exercise rights under this Section 3.09;
- (11) briefly, the conversion rights of the Securities;

(12) the procedures for withdrawing a Change in Control Purchase Notice;

(13) that, unless the Company defaults in making payment of such Change in Control Purchase Price and semiannual and contingent interest, if any, Original Issue Discount and interest (including semiannual and contingent interest), if any, on Securities surrendered for purchase will cease to accrue on and after the Change in Control Purchase Date; and

(14) the CUSIP number of the Securities.

(c) A Holder may exercise its rights specified in Section 3.09(a) upon delivery of a written notice of purchase (a "Change in Control Purchase Notice") to the Paying Agent at any time prior to the close of business on the Change in Control Purchase Date, stating:

(1) the certificate number of the Security which the Holder will deliver to be purchased;

(2) the portion of the Principal Amount at Maturity of the Security which the Holder will deliver to be purchased, which portion must be \$1,000 or an integral multiple thereof; and

(3) that such Security shall be purchased pursuant to the terms and conditions specified in paragraph 7 of the Securities.

The delivery of such Security to the Paying Agent prior to, on or after the Change in Control Purchase Date (together with all necessary endorsements) at the offices of the Paying Agent shall be a condition to the receipt by the Holder of the Change in Control Purchase Price therefor; provided, however, that such Change in Control Purchase Price shall be so paid pursuant to this Section 3.09 only if the Security so delivered to the Paying Agent shall conform in all respects to the description thereof set forth in the related Change in Control Purchase Notice.

The Company shall purchase from the Holder thereof, pursuant to this Section 3.09, a portion of a Security if the Principal Amount at Maturity of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to the purchase of all of a Security also apply to the purchase of such portion of such Security.

Any purchase by the Company contemplated pursuant to the provisions of this Section 3.09 shall be consummated by the delivery of the consideration to be received by the Holder (together with accrued and unpaid semiannual and contingent interest, if any) on or prior to the third Business Day following the later of the Change in Control Purchase Date and the time of delivery of the Security to the Paying Agent in accordance with this Section 3.09.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Change in Control Purchase Notice contemplated by this Section 3.09(c) shall have the right to withdraw such Change in Control Purchase Notice at any time prior to the close of business on the Change in Control Purchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 3.10.

The Paying Agent shall promptly notify the Company of the receipt by it of any Change in Control Purchase Notice or written withdrawal thereof.

The Company shall not be required to comply with this Section 3.09 if a third party mails a written notice of Change in Control in the manner, at the times and otherwise in compliance with this Section 3.09 and repurchases all Securities for which a Change in Control Purchase Notice shall be delivered and not withdrawn.

SECTION 3.10 Effect of Purchase Notice or Change in Control Purchase Notice.

Upon receipt by the Paying Agent of the Purchase Notice or Change in Control Purchase Notice specified in Section 3.08(a) or Section 3.09(c), as applicable, the Holder of the Security in respect of which such Purchase Notice or Change in Control Purchase Notice, as the case may be, was given shall (unless such Purchase Notice or Change in Control Purchase Notice is withdrawn as specified in the following two paragraphs) thereafter be entitled to receive solely the Purchase Price or Change in Control Purchase Price, as the case may be, and any accrued and unpaid semiannual and contingent interest, with respect to such Security. Such Purchase Price or Change in Control Purchase Price and semiannual and contingent interest, if any, shall be paid to such Holder, subject to receipt of funds by the Paying Agent, on or prior to the third Business Day following the later of (x) the Purchase Date or the Change in Control Purchase Date, as the case may be, with respect to such Security (provided the conditions in Section 3.08(a) or Section 3.09(c), as applicable, have been satisfied) and (y) the time of delivery of such Security to the Paying Agent by the Holder thereof in the manner required by Section 3.08(a) or Section 3.09(c), as applicable. Securities in respect of which a Purchase Notice or Change in Control Purchase Notice, as the case may be, has been given by the Holder thereof may not be converted pursuant to Article 11 hereof on or after the date of the delivery of such Purchase Notice or Change in Control Purchase Notice, as the case may be, unless such Purchase Notice or Change in Control Purchase Notice, as the case may be, has first been validly withdrawn as specified in the following two paragraphs.

A Purchase Notice or Change in Control Purchase Notice, as the case may be, may be withdrawn by means of a written notice of withdrawal delivered to the office of the Paying Agent in accordance with the Purchase Notice or Change in Control Purchase Notice, as the case may be, at any time prior to the close of business on the Purchase Date or the Change in Control Purchase Date, as the case may be, specifying:

- (1) the certificate number of the Security in respect of which such notice of withdrawal is being submitted,
- (2) the Principal Amount at Maturity of the Security with respect to which such notice of withdrawal is being submitted, and
- (3) the Principal Amount at Maturity, if any, of such Security which remains subject to the original Purchase Notice or Change in Control Purchase Notice, as the case may be, and which has been or will be delivered for purchase by the Company.

A written notice of withdrawal of a Purchase Notice may be in the form set forth in the preceding paragraph.

There shall be no purchase of any Securities pursuant to Section 3.08 or 3.09 if there has occurred (prior to, on or after, as the case may be, the giving, by the Holders of such Securities, of the required Purchase Notice or Change in Control Purchase Notice, as the case may be) and is continuing an Event of Default (other than a default in the payment of the Purchase Price or Change in Control Purchase Price, as the case may be, and any accrued and unpaid contingent interest with respect to such Securities). The Paying Agent will promptly return to the respective Holders thereof any Securities (x) with respect to which a Purchase Notice or Change in Control Purchase Notice, as the case may be, has been withdrawn in compliance with this Indenture, or (y) held by it during the continuance of an Event of Default (other than a default in the payment of the Purchase Price or Change in Control Purchase Price, as the case may be, and any accrued and unpaid contingent interest with respect to such Securities) in which case, upon such return, the Purchase Notice or Change in Control Purchase Notice with respect thereto shall be deemed to have been withdrawn.

SECTION 3.11 Deposit of Purchase Price or Change in Control Purchase Price.

Prior to 10:00 a.m. (New York City time) on or prior to the third Business Day following the Purchase Date or the Change in Control Purchase Date, as the case may be, the Company shall deposit with the Trustee or with the Paying Agent (or, if the Company or a Subsidiary or an Affiliate of either of them is acting as the Paying Agent, shall segregate and hold in trust as provided in Section 2.04) an amount of money (in immediately available funds if deposited on such Business Day) sufficient to pay the aggregate Purchase Price or Change in Control Purchase Price, as the case may be, of, and any accrued and unpaid contingent interest with respect to, all the Securities or portions thereof which are to be purchased as of the Purchase Date or Change in Control Purchase Date, as the case may be.

SECTION 3.12 Securities Purchased in Part.

Any Security which is to be purchased only in part shall be surrendered at the office of the Paying Agent (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security, without service charge, a new Security or Securities, of any authorized denomination as requested by such Holder in aggregate Principal Amount at Maturity equal to, and in exchange for, the portion of the Principal Amount at Maturity of the Security so surrendered which is not purchased.

SECTION 3.13 Covenant to Comply With Securities Laws Upon Purchase of Securities.

In connection with any offer to purchase or purchase of Securities under Section 3.08 or 3.09 hereof (provided that such offer or purchase constitutes an "issuer tender

offer" for purposes of Rule 13e-4 (which term, as used herein, includes any successor provision thereto) under the Exchange Act at the time of such offer or purchase), the Company shall, to the extent required by law, (i) comply with Rule 13e-4, Rule 14e-1 and any other tender offer rules under the Exchange Act which may then apply and (ii) otherwise comply with all Federal and state securities laws so as to permit the rights and obligations under Sections 3.08 and 3.09 to be exercised in the time and in the manner specified in Sections 3.08 and 3.09.

#### SECTION 3.14 Repayment to the Company.

The Trustee and the Paying Agent shall return to the Company any cash that remains unclaimed as provided in paragraph 15 of the Securities, together with interest, if any, thereon (subject to the provisions of Section 7.01(f)), held by them for the payment of the Purchase Price or Change in Control Purchase Price, as the case may be, or contingent interest, if any; provided, however, that to the extent that the aggregate amount of cash deposited by the Company pursuant to Section 3.11 exceeds the aggregate Purchase Price or Change in Control Purchase Price, as the case may be, of, and the accrued and unpaid contingent interest with respect to, the Securities or portions thereof which the Company is obligated to purchase as of the Purchase Date or Change in Control Purchase Date, as the case may be, whether as a result of withdrawal or otherwise, then promptly after the Business Day following the Purchase Date or Change in Control Purchase Date, as the case may be, the Trustee shall return any such excess to the Company together with interest, if any, thereon (subject to the provisions of Section 7.01(f)).

#### SECTION 4.01 Payment of Securities.

The Company shall promptly make all payments in respect of the Securities on the dates and in the manner provided in the Securities or pursuant to this Indenture. Any amounts to be given to the Trustee or Paying Agent, shall be deposited with the Trustee or Paying Agent by 10:00 a.m., New York City time, by the Company. Principal Amount at Maturity, Restated Principal Amount, Accreted Principal Amount, Redemption Price, Purchase Price, Change in Control Purchase Price, and semiannual and contingent interest, if any, shall be considered paid on the applicable date due if on such date (or, in the case of a Purchase Price or Change in Control Purchase Price, on or prior to the third Business Day following the applicable Purchase Date or Change in Control Purchase Date, as the case may be) the Trustee or the Paying Agent holds, in accordance with this Indenture, money or securities, if permitted hereunder, sufficient to pay all such amounts then due.

The Company shall, to the extent permitted by law, pay interest on overdue amounts at the rate per annum set forth in paragraph 1 of the Securities, compounded semiannually, which interest shall accrue from the date such overdue amount was originally due to the date payment of such amount, including interest thereon, has been made or duly provided for. All such interest shall be payable on demand. The accrual of such interest on overdue amounts shall be in lieu of, and not in addition to, the continued accrual of Original Issue Discount.

#### SECTION 4.02 SEC and Other Reports.

If requested by the Trustee, the Company shall deliver to the Trustee, within 15 days after it files such annual and quarterly reports, information, documents and other reports with the SEC, copies of its annual report and of the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may by rules and regulations prescribe) which the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. In the event the Company is at any time no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, it shall continue to provide the Trustee with reports containing substantially the same information as would have been required to be filed with the SEC had the Company continued to have been subject to such reporting requirements. In such event, such reports shall be provided at the times the Company would have been required to provide reports had it continued to have been subject to such reporting requirements. The Company also shall comply with the other provisions of TIA Section 314(a). Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of the same shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

#### SECTION 4.03 Compliance Certificate.

The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company (beginning with the fiscal year ending on December 31, 2005) an Officers' Certificate, stating whether or not to the knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

#### SECTION 4.04 Further Instruments and Acts.

Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

#### SECTION 4.05 Maintenance of Office or Agency.

The Company will maintain an office or agency of the Trustee, Registrar, Paying Agent and Conversion Agent where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer, exchange for other Securities, purchase, redemption or conversion for Common Stock and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Trustee's office specified in Section 13.02 shall initially be such office or agency for all of the aforesaid purposes. The Company shall give prompt written notice to the Trustee of the location, and of any change in the location, of any such office or agency (other than a change in the location of the office of the Trustee). If at any time the Company shall fail to maintain any such required

office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 13.02.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations.

#### SECTION 4.06 Calculation of Tax Original Issue Discount.

The Company agrees, and each Holder and any beneficial owner of a Security by its purchase thereof or exchange therefor shall be deemed to agree, to treat, for United States federal income tax purposes, the Securities as debt instruments that are subject to Treasury Regulations Section 1.1275-4(b). For United States federal income tax purposes, the Company and each Holder agree to treat the cash and the fair market value of the Common Stock received upon the conversion of a Security as a contingent payment for purposes of Treasury Regulation Section 1.1275-4(b) and to accrue interest with respect to outstanding Securities as original issue discount for United States federal income tax purposes ("Tax OID") according to the "noncontingent bond method," set forth in Section 1.1275-4(b) of the Treasury Regulations, using a comparable yield of 4.47%, compounded semiannually, and the projected payment schedule for the Securities, which will be available upon written request to Amgen Inc., One Amgen Center Drive, Thousand Oaks, California 91320-1799; Attention: Investor Relations.

The Company acknowledges and agrees, and each Holder and any beneficial holder of a Security by its purchase thereof or exchange therefor shall be deemed to acknowledge and agree, that (i) the comparable yield means the annual yield the Company would pay, as of March 1, 2005, on a fixed rate, nonconvertible debt security with no contingent payments, but with terms and conditions otherwise comparable to those of the Securities, (ii) the projected payment schedule is determined on the basis of an assumption of linear growth of the stock price and a constant dividend yield and is not determined for any purpose other than for the determination of interest accruals and adjustments thereof in respect of the Securities for United States federal income tax purposes, (iii) the comparable yield and the projected payment schedule do not constitute a projection or representation regarding the amounts payable on the Securities and (iv) the exchange of the Liquid Yield Option Notes due 2032 (the "LYONs") for the Securities on May 6, 2005 does not constitute a significant modification of the LYONs for United States federal income tax purposes.

ARTICLE 5

SUCCESSOR CORPORATION

SECTION 5.01 When Company May Merge or Transfer Assets.

The Company shall not consolidate with or merge with or into any other person or convey, transfer or lease all or substantially all its properties and assets to another person, unless:

(a) either (1) the Company shall be the continuing corporation or (2) the person (if other than the Company) formed by such consolidation or into which the Company is merged or the person which acquires by conveyance, transfer or lease all or substantially all the properties and assets of the Company (i) shall be organized and validly existing under the laws of the United States, any State thereof or the District of Columbia and (ii) shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all of the obligations of the Company under the Securities and this Indenture;

(b) immediately after giving effect to such transaction, no Default shall have occurred and be continuing; and

(c) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with this Article 5 and that all conditions precedent herein provided for relating to such transaction have been satisfied.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise) of the properties and assets of one or more Subsidiaries (other than to the Company or another Subsidiary), which, if such assets were owned by the Company, would constitute all or substantially all of the properties and assets of the Company, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

The successor person formed by such consolidation or into which the Company is merged or the successor person to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor had been named as the Company herein; and thereafter, except in the case of a lease and obligations the Company may have under a supplemental indenture pursuant to Section 11.16, the Company shall be discharged from all obligations and covenants under this Indenture and the Securities. Subject to Section 9.06, the Company, the Trustee and the successor person shall enter into a supplemental indenture to evidence the succession and substitution of such successor person and such discharge and release of the Company.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default.

An "Event of Default" occurs if:

(1) the Company defaults in payment of any contingent interest or of any semiannual interest which becomes payable after the Securities have been converted to semiannual coupon notes following the occurrence of a Tax Event pursuant to Article 10, which default, in any case, continues for 30 days;

(2) the Company defaults in the payment of the Principal Amount at Maturity (or, if the Securities have been converted to semiannual coupon notes following the occurrence of a Tax Event pursuant to Article 10, the Restated Principal Amount), Accreted Principal AMOUNT, Redemption Price, Purchase Price or Change in Control Purchase Price on any Security when the same becomes due and payable at its Stated Maturity, upon redemption, upon declaration, when due for purchase by the Company or otherwise;

(3) the Company fails to comply with any of its agreements in the Securities or this Indenture (other than those referred to in clauses (1) and (2) above) and such failure continues for 60 days after receipt by the Company of a Notice of Default;

(4) (a) the Company fails to make any payment by the end of any applicable grace period after maturity of Debt in an amount in excess of \$50,000,000 and continuance of such failure, or (b) the acceleration of Debt has occurred in an amount in excess of \$50,000,000 because of a default with respect to such Debt without such Debt having been discharged or such acceleration having been cured, waived, rescinded or annulled, in the case of (a) above, for a period of 30 days after receipt by the Company of a Notice of Default; provided, however, that if any such failure or acceleration referred to in (a) or (b) above shall cease or be cured, waived, rescinded or annulled, then the Event of Default by reason thereof shall be deemed not to have occurred; or

(5) the Company or any Significant Subsidiary, pursuant to or under or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case or proceeding;

(B) consents to the entry of an order for relief against it in an involuntary case or proceeding or the commencement of any case against it;

(C) consents to the appointment of a Custodian of it or for any substantial part of its property;

(D) makes a general assignment for the benefit of its creditors;

(E) files a petition in bankruptcy or answer or consent seeking reorganization or relief; or

(F) consents to the filing of such petition or the appointment of or taking possession by a Custodian; or

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Significant Subsidiary in an involuntary case or proceeding, or adjudicates the Company or any Significant Subsidiary insolvent or bankrupt;

(B) appoints a Custodian of the Company or any Significant Subsidiary or for any substantial part of its property; or

(C) orders the winding up or liquidation of the Company or any Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 days.

(a) "Bankruptcy Law" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors.

(b) "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (3) or clause (4) above is not an Event of Default until the Trustee notifies the Company, or the Holders of at least 25% in aggregate Principal Amount at Maturity of the Securities at the time outstanding notify the Company and the Trustee, of the Default and the Company does not cure such Default (and such Default is not waived) within the time specified in clause (3) or clause (4) above after actual receipt of such notice. Any such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default".

The Company shall deliver to the Trustee, within 30 days after it becomes aware of the occurrence thereof, written notice of any event which with the giving of notice or the lapse of time, or both, would become an Event of Default under clause (3) or clause (4) above, its status and what action the Company is taking or proposes to take with respect thereto.

#### SECTION 6.02 Acceleration.

If an Event of Default (other than an Event of Default specified in Section 6.01(5) or (6) in respect of the Company) occurs and is continuing, the Trustee by Notice to the Company, or the Holders of at least 25% in aggregate Principal Amount at Maturity of the Securities at the time outstanding by notice to the Company and the Trustee, may declare the

Accreted Principal Amount through the date of declaration, and any accrued and unpaid interest (including semiannual and contingent interest) through the date of such declaration, on all the Securities to be immediately due and payable. Upon such a declaration, such Accreted Principal Amount, and such accrued and unpaid interest (including semiannual and contingent interest) if any, shall be due and payable immediately. If an Event of Default specified in Section 6.01(5) or (6) in respect of the Company occurs and is continuing, the Accreted Principal Amount plus accrued and unpaid interest (including semiannual and contingent interest) if any, on all the Securities shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Securityholders. The Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding, by notice to the Trustee (and without notice to any other Securityholder) may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of the Accreted Principal Amount plus accrued and unpaid contingent interest that have become due solely as a result of acceleration and if all amounts due to the Trustee under Section 7.07 have been paid. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

#### SECTION 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of the Accreted Principal Amount plus any accrued and unpaid interest (including semiannual and contingent interest) if any, on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if the Trustee does not possess any of the Securities or does not produce any of the Securities in the proceeding. A delay or omission by the Trustee or any Securityholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of, or acquiescence in, the Event of Default. Except as set forth in Section 2.07 hereof, no remedy is exclusive of any other remedy. All available remedies are cumulative.

#### SECTION 6.04 Waiver of Past Defaults.

Subject to Section 6.02, the Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding, by notice to the Trustee (and without notice to any other Securityholder), may waive an existing Default and its consequences except (1) an Event of Default described in Section 6.01(1) or (2), (2) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Securityholder affected or (3) a Default which constitutes a failure to convert any Security in accordance with the terms of Article 11. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right. This Section 6.04 shall be in lieu of Section 316(a)1(A) of the TIA and such Section 316(a)1(A) is hereby expressly excluded from this Indenture, as permitted by the TIA.

SECTION 6.05 Control by Majority.

The Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines in good faith is unduly prejudicial to the rights of other Securityholders or could, in reasonable likelihood, impose personal liability upon the Trustee unless the Trustee is offered indemnity satisfactory to it. This Section 6.05 shall be in lieu of Section 316(a)1(B) of the TIA and such Section 316(a)1(B) is hereby expressly excluded from this Indenture, as permitted by the TIA.

SECTION 6.06 Limitation on Suits.

A Securityholder may not pursue any remedy with respect to this Indenture or the Securities unless:

- (1) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (2) the Holders of at least 25% in aggregate Principal Amount at Maturity of the Securities at the time outstanding make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of such notice, request and offer of security or indemnity; and
- (5) the Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding do not give the Trustee a direction inconsistent with the request during such 60-day period.

(a) A Securityholder may not use this Indenture to prejudice the rights of any other Securityholder or to obtain a preference or priority over any other Securityholder.

SECTION 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of the Principal Amount at Maturity (or if the Securities have been converted to semiannual coupon notes following a Tax Event pursuant to Article 10, the Restated Principal Amount), Accreted Principal Amount, Redemption Price, Purchase Price, Change in Control Purchase Price, and semiannual or contingent interest, if any, in respect of the Securities held by such Holder, on or after the respective due dates expressed in the Securities or any Redemption Date, and to convert the Securities in accordance with Article 11, or to bring suit for the enforcement of any such payment on or after such respective dates or the right to convert, shall not be impaired or affected adversely without the consent of such Holder.

SECTION 6.08 Collection Suit by Trustee.

If an Event of Default described in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount owing with respect to the Securities and the amounts provided for in Section 7.07.

SECTION 6.09 Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the Principal Amount at Maturity, Accreted Principal Amount, Redemption Price, Purchase Price, Change in Control Purchase Price, and semiannual or contingent interest, if any, in respect of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of any such amount) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of the Principal Amount at Maturity, Accreted Principal Amount, Redemption Price, Purchase Price, Change in Control Purchase Price as the case may be, or contingent interest or semiannual interest, if any, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel or any other amounts due the Trustee under Section 7.07) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10 Priorities.

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Securityholders for amounts due and unpaid on the Securities for the Principal Amount at Maturity, Accreted Principal Amount, Redemption Price, Purchase Price, Change in Control Purchase Price, as the case may be, and contingent interest or semiannual interest, if any, ratably, without preference or priority of any kind, according to such amounts due and payable on the Securities; and

THIRD: the balance, if any, to the Company.

The Trustee may fix a record date and payment date for any payment to Securityholders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Securityholder and the Company a notice that states the record date, the payment date and the amount to be paid.

#### SECTION 6.11 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit (other than the Trustee) of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit (other than the Trustee), having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate Principal Amount at Maturity of the Securities at the time outstanding. This Section 6.11 shall be in lieu of Section 315(e) of the TIA and such Section 315(e) is hereby expressly excluded from this Indenture, as permitted by the TIA.

#### SECTION 6.12 Waiver of Stay, Extension or Usury Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury or other law wherever enacted, now or at any time hereafter in force, which would prohibit or forgive the Company from paying all or any portion of the Principal Amount at Maturity, Accreted Principal Amount, Redemption Price, Purchase Price, Change in Control Purchase Price, as the case may be, and contingent interest or semiannual interest, if any, in respect of Securities, or any interest on such amounts, as contemplated herein, or which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

### ARTICLE 7

#### TRUSTEE

SECTION 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee need perform only those duties that are specifically set forth in this Indenture and no others; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee and conforming to the requirements of this Indenture, but in case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture, but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein.

This Section 7.01(b) shall be in lieu of Section 315(a) of the TIA and such Section 315(a) is hereby expressly excluded from this Indenture, as permitted by the TIA.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

Subparagraphs (c)(1), (2) and (3) shall be in lieu of Sections 315(d)(1), 315(d)(2) and 315(d)(3) of the TIA and such Sections 315(d)(1), 315(d)(2) and 315(d)(3) are hereby expressly excluded from this Indenture, as permitted by the TIA.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (e) of this Section 7.01.

(e) The Trustee may refuse to perform any duty or exercise any right or power or extend or risk its own funds or otherwise incur any financial liability unless it receives indemnity satisfactory to it against any loss, liability or expense.

(f) Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee (acting in any capacity hereunder) shall be under no liability for interest on any money received by it hereunder unless otherwise agreed in writing with the Company.

#### SECTION 7.02 Rights of Trustee.

Subject to its duties and responsibilities under the provisions of Section 7.01, and, except as expressly excluded from this Indenture pursuant to said Section 7.01, subject also to its duties and responsibilities under the TIA:

(a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate;

(c) the Trustee and the Bid Solicitation Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(d) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith which it believes to be authorized or within its rights or powers conferred under this Indenture;

(e) the Trustee may consult with counsel selected by it and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(f) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders, pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(g) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a resolution of the Board of Directors;

(h) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, including, without limitation, any Company Request, Company Order or Officers' Certificate, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation or lack thereof;

(i) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee received written notice of an event which is in fact such a Default or Event of Default, and such notice references the Securities and this Indenture, describes the event with specificity, and alleges that the occurrence of this event is a Default or an Event of Default under this Indenture;

(j) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder; and

(k) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

#### SECTION 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, Conversion Agent or co-registrar may do the same with like rights. However, the Trustee must comply with Section 7.10.

#### SECTION 7.04 Trustee's Disclaimer.

The Trustee makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Company's use or application of the proceeds from the Securities, it shall not be responsible for any statement in the registration statement for the Securities under the Securities Act or in the Indenture or the Securities (other than its certificate of authentication), or the determination as to which beneficial owners are entitled to receive any notices hereunder.

SECTION 7.05 Notice of Defaults.

If a Default occurs and if it is known to the Trustee, the Trustee shall give to each Securityholder notice of the Default within 90 days after the Trustee gains knowledge of the Default unless such Default shall have been cured or waived before the giving of such notice. Except in the case of a Default described in Section 6.01(1) or (2), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Securityholders. The second sentence of this Section 7.05 shall be in lieu of the proviso to Section 315(b) of the TIA and such proviso is hereby expressly excluded from this Indenture, as permitted by the TIA. The Trustee shall not be deemed to have knowledge of a Default unless a Responsible Officer of the Trustee has received written notice of such Default in the manner described in Section 7.02(i).

SECTION 7.06 Reports by Trustee to Holders.

Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, the Trustee shall transmit to each Securityholder requesting such, in the manner and to the extent provided in Section 13.02, a brief report, dated as of such May 15, with respect to:

- (1) any change to its eligibility under Section 7.10;
- (2) the character and amount of any advances made by the Trustee, as Trustee, which remain unpaid on the date of such report, and for the reimbursement of which it claims or may claim a lien or charge, prior to that of the Securityholders, on the trust estate or on property or funds held or collected by it, if such advances so remaining unpaid aggregate more than one-half of one percent of the aggregate Principal Amount at Maturity of Securities outstanding on such date;
- (3) any change to the property and funds physically in the Trustee's possession as Trustee on the date of such report; and
- (4) any action taken by it in the performance of its duties under this Indenture which it has not previously reported and which in its opinion materially affects the Securities or the trust estate, except action in respect of a Default, notice of which has been or is to be withheld by it in accordance with Section 7.05.

SECTION 7.07 Compensation and Indemnity.

The Company agrees:

- (a) to pay to the Trustee from time to time such reasonable compensation as the Company and the Trustee shall from time to time agree in writing for all services rendered by it hereunder (which compensation shall not be limited (to the extent permitted by law) by any provision of law in regard to the compensation of a trustee of an express trust);

(b) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses, advances and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(c) to indemnify the Trustee or any predecessor Trustee and their agents for, and to hold them harmless against, any loss, damage, claim, liability, cost or expense (including reasonable attorney's fees and expenses and taxes (other than taxes based upon, measured by or determined by the income of the Trustee)) reasonably incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the reasonable costs and expenses of defending itself against any claim (whether asserted by the Company or any Holder or any other Person) or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder.

To secure the Company's payment obligations in this Section 7.07, Holders shall have been deemed to have granted to the Trustee a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay the Principal Amount at Maturity, Accreted Principal Amount, Redemption Price, Purchase Price, Change in Control Purchase Price, contingent interest or interest, if any, as the case may be, on particular Securities.

The Company's payment obligations pursuant to this Section 7.07 shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(5) or (6), the expenses including the reasonable charges and expenses of its counsel, are intended to constitute expenses of administration under any Bankruptcy Law.

#### SECTION 7.08 Replacement of Trustee.

The Trustee may resign by so notifying the Company; provided, however, no such resignation shall be effective until a successor Trustee has accepted its appointment pursuant to this Section 7.08. The Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding may remove the Trustee by so notifying the Trustee and the Company. The Company shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint, by resolution of the Board of Directors, a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company satisfactory in form and substance to the retiring Trustee and the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Securityholders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding may petition any court of competent jurisdiction at the expense of the Company for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Securityholder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

The resignation or removal of a Trustee shall not diminish, impair or terminate its rights to indemnification pursuant to Section 7.07 as they relate to periods prior to such resignation or removal.

#### SECTION 7.09 Successor Trustee by Merger.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

#### SECTION 7.10 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder which shall be eligible to act as Trustee and shall have a combined capital and surplus of at least \$50,000,000. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then, for the purposes of this Section 7.10, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.10, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 7.

## ARTICLE 8

### DISCHARGE OF INDENTURE

#### SECTION 8.01 Discharge of Liability on Securities.

When (i) the Company delivers to the Trustee all outstanding Securities (other than Securities replaced pursuant to Section 2.07) for cancellation or (ii) all outstanding Securities have become due and payable and the Company deposits with the Trustee, the Paying Agent (if the Paying Agent is not the Company or any Subsidiary or any Affiliate of either of them) or the Conversion Agent cash or, if expressly permitted by the terms of the Securities or the Indenture, Common Stock or governmental obligations sufficient to pay all amounts due and owing on all outstanding Securities (other than Securities replaced pursuant to Section 2.07), and if in either case the Company pays all other sums payable hereunder by the Company, then this Indenture shall, subject to Section 7.07, cease to be of further effect. The Trustee shall join in the execution of a document prepared by the Company acknowledging satisfaction and discharge of this Indenture on demand of the Company accompanied by an Officers' Certificate and Opinion of Counsel and at the cost and expense of the Company.

#### SECTION 8.02 Repayment to the Company.

The Trustee and the Paying Agent shall return to the Company upon written request any money or securities held by them for the payment of any amount with respect to the Securities that remains unclaimed for two years, subject to applicable unclaimed property law. After return to the Company, Holders entitled to the money or securities must look to the Company for payment as general creditors unless an applicable abandoned property law designates another person and the Trustee and the Paying Agent shall have no further liability to the Securityholders with respect to such money or securities for that period commencing after the return thereof.

## ARTICLE 9

### AMENDMENTS

#### SECTION 9.01 Without Consent of Holders.

The Company and the Trustee may amend this Indenture or the Securities without the consent of any Securityholder:

- (1) to cure any ambiguity, omission, defect or inconsistency;
- (2) to comply with Article 5 or Section 11.16;
- (3) to secure the Company's obligations under the Securities and this Indenture;
- (4) to add to the Company's covenants for the benefit of the Securityholders or to surrender any right or power conferred upon the Company;

(5) to make any change to comply with the TIA, or any amendment thereto, or to comply with any requirement of the SEC in connection with the qualification of the Indenture under the TIA, or as necessary in connection with the registration of the Securities under the Securities Act if at any time the Company seeks to register the Securities thereunder;

(6) to make any change that does not adversely affect the rights of any Holder; or

(7) to declare additional Purchase Dates and corresponding Purchase Prices under Section 7 of the Securities.

No amendment to cure any ambiguity, omission, defect or inconsistency in this Indenture made solely to conform the Indenture to the description of the Securities contained in the registration statement pursuant to which the Securities have been initially offered shall be deemed to adversely affect the interests of the Holders.

#### SECTION 9.02 With Consent of Holders.

With the written consent of the Holders of at least a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding, the Company and the Trustee may amend this Indenture or the Securities. However, without the consent of each Securityholder affected, an amendment to this Indenture or the Securities may not:

(1) change the provisions of this Indenture that relate to modifying or amending this Indenture;

(2) make any change in the manner of calculation or rate of accrual of, or that adversely affects the right to receive, Original Issue Discount; make any change in the manner of calculation or rate of accrual of, or that adversely affects the right to receive, semiannual or contingent interest; reduce the rate of interest referred to in paragraph 1 of the Securities; reduce the rate of interest referred to in Section 10.01 upon the occurrence of a Tax Event; or extend the time for payment of Original Issue Discount, semiannual or contingent interest, if any, on any Security;

(3) reduce the Principal Amount at Maturity, Restated Principal Amount, the Initial Principal Amount of, or change the Stated Maturity of, any Security;

(4) reduce the Redemption Price, Purchase Price or Change in Control Purchase Price of any Security;

(5) make any Security payable in money or securities other than that stated in the Security;

(6) make any change in Section 6.04, Section 6.07 or this Section 9.02, except to increase any percentage set forth therein;

(7) make any change that adversely affects the right to convert any Security;

(8) make any change that adversely affects the right to require the Company to purchase the Securities in accordance with the terms thereof and this Indenture; or

(9) impair the right to convert or receive payment with respect to, a Security, or right to institute suit for the enforcement of any payment with respect to, or conversion of, the Securities.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Company shall mail to each Holder a notice briefly describing the amendment. Failure to mail such notice or a defect in the notice shall not affect the validity of the amendment.

#### SECTION 9.03 Compliance with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall comply with the TIA.

#### SECTION 9.04 Revocation and Effect of Consents, Waivers and Actions.

Until an amendment, waiver or other action by Holders becomes effective, a consent thereto by a Holder of a Security hereunder is a continuing consent by the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same obligation as the consenting Holder's Security, even if notation of the consent, waiver or action is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent, waiver or action as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment, waiver or action becomes effective. After an amendment, waiver or action becomes effective, it shall bind every Securityholder.

#### SECTION 9.05 Notation on or Exchange of Securities.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Board of Directors, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for outstanding Securities.

#### SECTION 9.06 Trustee to Sign Supplemental Indentures.

The Trustee shall sign any supplemental indenture authorized pursuant to this Article 9 if the amendment contained therein does not adversely affect the rights, duties,

liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign such supplemental indenture. In signing such supplemental indenture the Trustee shall receive, and (subject to the provisions of Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 13.04, an Officers' Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture.

#### SECTION 9.07 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

### ARTICLE 10

#### SPECIAL TAX EVENT CONVERSION

SECTION 10.01 Optional Conversion to Semiannual Coupon Note Upon Tax Event.

From and after (i) the date (the "Tax Event Date") of the occurrence of a Tax Event or (ii) the date the Company exercises the option provided for in this Section 10.01, whichever is later (the later of such dates, the "Option Exercise Date"), at the option of the Company, interest in lieu of future Original Issue Discount shall accrue at the rate per annum specified in paragraph 11(a) of the Securities on a restated principal amount per \$1,000 original Principal Amount at Maturity (the "Restated Principal Amount") equal to the Accreted Principal Amount on the Option Exercise Date and shall be payable semiannually on each Interest Payment Date to holders of record at the close of business on the Regular Record Date immediately preceding such Interest Payment Date. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months and will accrue from the most recent date on which interest has been paid or, if no interest has been paid, from the Option Exercise Date. Within 15 days of the occurrence of a Tax Event, the Company shall mail a written notice of such Tax Event by facsimile and first-class mail to the Trustee and within 15 days of its exercise of such option the Company shall mail a written notice of the Option Exercise Date by facsimile and first-class mail to the Trustee and by first class mail to the Holders of the Securities. From and after the Option Exercise Date, (i) the Company shall be obligated to pay at Stated Maturity in lieu of the Principal Amount at Maturity of a Security, the Restated Principal Amount thereof plus accrued and unpaid interest with respect to any Security, (ii) "Accreted Principal Amount" as used herein shall mean the Restated Principal Amount plus accrued and unpaid interest with respect to any Security and (iii) contingent interest shall cease to accrue on the Securities. Securities authenticated and delivered after the Option Exercise Date may, and shall if required by the Trustee, bear a notation in a form approved by the Trustee as to the conversion of the Securities to semiannual coupon notes. No other changes to the Indenture shall result as a result of the events described in this Section 10.01.

ARTICLE 11

CONVERSION

SECTION 11.01 Conversion Privilege.

A Holder of a Security may convert such Security at any time during the period stated in paragraph 9 of the Securities upon the occurrence of any of the events set forth in paragraph 9 of the Securities, subject to the provisions of this Article 11. Subject to certain exceptions described in paragraph 9 of the Securities, if a Holder surrenders its Securities for conversion, such holder will receive, in respect of each \$1,000 of Principal Amount at Maturity into the Conversion Value which shall be paid as follows:

(i) Cash in an amount (the "Required Cash Amount") equal to the lesser of (A) the Accreted Principal Amount on the Conversion Date or (B) the Conversion Value; and

(ii) if the Conversion Value is greater than the Required Cash Amount, a number of shares of Common Stock (the "Net Share Amount") equal to (A)(1) the Conversion Value minus (2) the Required Cash Amount, divided by (B) the Applicable Stock Price.

A Holder may convert a portion of the Principal Amount at Maturity of a Security if the portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to conversion of all of a Security also apply to conversion of a portion of a Security.

"Average Closing Price" means (1) with respect to distributions of rights, warrants or options, the average of the Closing Prices per share of Common Stock for the five (5) consecutive Trading Days ending on the date immediately preceding the first public announcement of the distribution and (2) with respect to other distributions, the average of the Closing Prices per share of Common Stock for the five (5) consecutive Trading Days ending on the date immediately preceding the Time of Determination.

In the event that the Ex-Dividend Time (or in the case of a subdivision, combination or reclassification, the effective date with respect thereto) with respect to a dividend, subdivision, combination or reclassification to which Section 11.06(1), (2), (3) or (5) applies occurs during the period applicable for calculating "Average Closing Price" pursuant to the definition in the preceding sentence, "Average Closing Price" shall be calculated for such period in a manner determined by the Board of Directors to reflect the impact of such dividend, subdivision, combination or reclassification on the Closing Price of the Common Stock during such period.

"Time of Determination" means the time and date of the earlier of (i) the determination of stockholders entitled to receive rights, warrants or options or a distribution, in each case, to which Sections 11.07, 11.08 or 11.10 applies and (ii) the time ("Ex-Dividend Time") immediately prior to the commencement of "ex-dividend" trading for such rights,

warrants or options or distribution on the Nasdaq National Market or such other national or regional exchange or market on which the Common Stock is then listed or quoted.

#### SECTION 11.02 Conversion Procedure.

To convert a Security a Holder must satisfy the requirements in paragraph 9 of the Securities. The date on which the Holder satisfies all those requirements is the conversion date (the "Conversion Date"). Within three Trading Days following the end of the Averaging Period applicable to the Securities being converted, the Company shall deliver to the Holder, through the Conversion Agent, the Required Cash Amount and Net Share Amount, if any (including cash in lieu of fractional shares pursuant to Section 11.03 hereof). The person in whose name the certificate representing any shares is registered shall be treated as a stockholder of record on and after the Conversion Date; provided, however, that no surrender of a Security on any date when the stock transfer books of the Company shall be closed shall be effective to constitute the person or persons entitled to receive the Net Share Amount upon such conversion as the record holder or holders of such shares of Common Stock on such date, but such surrender shall be effective to constitute the person or persons entitled to receive such shares of Common Stock as the record holder or holders thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open; such conversion shall be at the Conversion Rate in effect on the date that such Security shall have been surrendered for conversion, as if the stock transfer books of the Company had not been closed. Upon conversion of a Security, such person shall no longer be a Holder of such Security.

No payment or adjustment will be made for dividends on, or other distributions with respect to, any Common Stock except as provided in this Article 11. On conversion of a Security, accrued Original Issue Discount (or interest, if the Company has exercised its option provided for in Section 10.01) attributable to the period from the Issue Date (or, if the Company has exercised the option provided for in Section 10.01, the later of (x) the date of such exercise and (y) the date on which interest was last paid) of the Security through but not including the Conversion Date and (except as provided below) accrued semiannual and contingent interest with respect to the converted Security shall not be cancelled, extinguished or forfeited, but rather shall be deemed to be paid in full to the Holder thereof through delivery of the Required Cash Amount and Net Share Amount, if any (together with the cash payment, if any, in lieu of fractional shares) in exchange for the Security being converted pursuant to the provisions hereof; and the fair market value of such Common Stock shall be treated as issued, to the extent thereof, first in exchange for Original Issue Discount (or interest, if the Company has exercised its option provided for in Section 10.01) accrued through the Conversion Date and accrued contingent interest, and the balance, if any, of the fair market value of such Common Stock shall be treated as delivered in exchange for the Initial Principal Amount of the Security being converted pursuant to the provisions hereof.

If the Holder converts more than one Security at the same time, the Required Cash Amount and Net Share Amount, if any (together with the cash payment, if any, in lieu of fractional shares) shall be based on the total Principal Amount at Maturity of the Securities converted.

If the last day on which a Security may be converted is a Legal Holiday, the Security may be surrendered on the next succeeding day that is not a Legal Holiday.

Upon surrender of a Security that is converted in part, the Company shall execute, and the Trustee shall authenticate and deliver to the Holder, a new Security in an authorized denomination equal in Principal Amount at Maturity to the unconverted portion of the Security surrendered.

#### SECTION 11.03 Fractional Shares.

The Company will not issue a fractional share of Common Stock upon conversion of a Security. Instead, the Company will deliver cash for the current market value of the fractional share. The current market value of a fractional share shall be determined, to the nearest 1/1,000th of a share, by multiplying the Closing Price of the Common Stock, on the last Trading Day prior to the Conversion Date, of a full share by the fractional amount and rounding the product to the nearest whole cent.

#### SECTION 11.04 Taxes on Conversion.

If a Holder converts a Security, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of any shares of Common Stock upon the conversion. However, the Holder shall pay any such tax which is due because the Holder requests the shares to be issued in a name other than the Holder's name. The Conversion Agent may refuse to deliver the certificates representing the Common Stock being issued in a name other than the Holder's name until the Conversion Agent receives a sum sufficient to pay any tax which will be due because the shares are to be delivered in a name other than the Holder's name. Nothing herein shall preclude any tax withholding required by law or regulations.

#### SECTION 11.05 Company to Provide Stock.

The Company shall, prior to issuance of any Securities under this Article 11, and from time to time as may be necessary, reserve out of its authorized but unissued Common Stock a sufficient number of shares of Common Stock to permit the payment of the Net Share Amount, if applicable, upon conversion of the Securities.

All shares of Common Stock delivered upon payment of any Net Share Amount, if applicable, upon conversion of the Securities shall be newly issued shares or treasury shares, shall be duly and validly issued and fully paid and nonassessable and shall be free from preemptive rights and free of any lien or adverse claim.

The Company will comply with all federal and state securities laws regulating the offer and delivery of shares of Common Stock upon payment of any Net Share Amount, if applicable, upon conversion of Securities, if any, and will list or cause to have quoted such shares of Common Stock on each national securities exchange or in the over-the-counter market or such other market on which the Common Stock is then listed or quoted.

SECTION 11.06 Adjustment for Change In Capital Stock.

If, after the Issue Date of the Securities, the Company:

- (1) pays a dividend or makes a distribution on its Common Stock payable in shares of its Common Stock or shares of other Capital Stock;
- (2) subdivides its shares of Common Stock;
- (3) combines its shares of Common Stock;
- (4) issues by reclassification of its Common Stock any shares of its Capital Stock (other than rights, warrants or options for its Capital Stock);
- (5) makes a distribution to all holders of its Common Stock of rights to purchase shares of its Common Stock for a period expiring within 60 days after the record date for such distribution at less than the Average Closing Price; or
- (6) makes a distribution to the holders of its Common Stock of its assets including shares of any Subsidiary or business unit of the Company or debt securities or rights to purchase the Securities (excluding cash dividends or other Cash Distributions from current or retained earnings).

then the Conversion Rate in effect immediately prior to such action shall be adjusted so that the Holder of a Security thereafter converted may receive the number of shares of Capital Stock of the Company which such Holder would have owned immediately following such action if such Holder had converted the Security immediately prior to such action.

In the event the Company makes a distribution pursuant to subsection 5 or 6 of this Section 11.06 which, in the case of subsection 6, has a per share value equal to more than 15% of the Closing Price of shares of its Common Stock on the day preceding the declaration date for such distribution, the Company will be required to give notice to the holders of Securities at least 20 days prior to the Ex-Dividend Date, as defined below, for such distribution.

The adjustment shall become effective immediately after the record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, combination or reclassification.

If after an adjustment a Holder of a Security upon conversion of such Security may receive shares of two or more classes of Capital Stock of the Company, the Conversion Rate shall thereafter be subject to adjustment upon the occurrence of an action taken with respect to any such class of Capital Stock as is contemplated by this Article 11 with respect to the Common Stock, on terms comparable to those applicable to Common Stock in this Article 11.

SECTION 11.07 Adjustment for Rights Issue.

If after the Issue Date of the Securities, the Company distributes any rights, warrants or options to all holders of its Common Stock entitling them, for a period expiring within 60 days after the record date for such distribution, to purchase shares of Common Stock at a price per share less than the Average Closing Price, the Conversion Rate shall be adjusted in accordance with the formula:

$$R' = R \times \frac{(O + N)}{(O + (N \times P)/M)}$$

where:

R' = the adjusted Conversion Rate.

R = the current Conversion Rate.

O = the number of shares of Common Stock outstanding on the record date for the distribution to which this Section 11.07 is being applied.

N = the number of additional shares of Common Stock offered pursuant to the distribution.

P = the offering price per share of the additional shares.

M = the Average Closing Price, minus, in the case of (i) a distribution to which Section 11.06(4) applies or (ii) a distribution to which Section 11.08 applies, for which, in each case, (x) the record date shall occur on or before the record date for the distribution to which this Section 11.07 applies and (y) the Ex-Dividend Time shall occur on or after the date of the first public announcement for the distribution to which this Section 11.07 applies, the fair market value (on the record date for the distribution to which this Section 11.07 applies) of the

(1) Capital Stock of the Company distributed in respect of each share of Common Stock in such Section 11.06(4) distribution and

(2) assets of the Company or debt securities or any rights, warrants or options to purchase securities of the Company distributed in respect of each share of Common Stock in such Section 11.08 distribution.

The Board of Directors shall determine fair market values for the purposes of this Section 11.07.

The adjustment shall become effective immediately after the record date for the determination of shareholders entitled to receive the rights, warrants or options to which this Section 11.07 applies. If all of the shares of Common Stock subject to such rights, warrants or options have not been issued when such rights, warrants or options expire, then the Conversion Rate shall promptly be readjusted to the Conversion Rate that would then be in effect had the

adjustment upon the issuance of such rights, warrants or options been made on the basis of the actual number of shares of Common Stock issued upon the exercise of such rights, warrants or options.

No adjustment shall be made under this Section 11.07 if the application of the formula stated above in this Section 11.07 would result in a value of R' that is equal to or less than the value of R.

SECTION 11.08 Adjustment for Other Distributions.

(a) If, after the Issue Date of the Securities, the Company distributes to all holders of its Common Stock any of its assets (excluding distributions of Capital Stock or equity interests referred to in Section 11.08(b)), or debt securities or any rights, warrants or options to purchase securities of the Company (including securities or cash, but excluding (x) distributions of Capital Stock referred to in Section 11.06 and distributions of rights, warrants or options referred to in Section 11.07 and (y) cash dividends or other cash distributions referred to in Section 11.09, the Conversion Rate shall be adjusted, subject to the provisions of Section 11.08(c), in accordance with the formula:

$$R' = \frac{R \times M}{M - F}$$

where:

R' = the adjusted Conversion Rate.

R = the current Conversion Rate.

M = the Average Closing Price, minus, in the case of a distribution to which Section 11.06(4) applies, for which (i) the record date shall occur on or before the record date for the distribution to which this Section 11.08(a) applies and (ii) the Ex-Dividend Time shall occur on or after the date of the Time of Determination for the distribution to which this Section 11.08(a) applies, the fair market value (on the record date for the distribution to which this Section 11.08(a) applies) of any Capital Stock of the Company distributed in respect of each share of Common Stock in such Section 11.06(4) distribution.

F = the fair market value (on the record date for the distribution to which this Section 11.08(a) applies) of the assets, securities, rights, warrants or options to be distributed in respect of each share of Common Stock in the distribution to which this Section 11.08(a) is being applied (including, in the case of cash dividends or other cash distributions giving rise to an adjustment, all such cash distributed concurrently).

The Board of Directors shall determine fair market values for the purposes of this Section 11.08(a).

The adjustment shall become effective immediately after the record date for the determination of shareholders entitled to receive the distribution to which this Section 11.08(a) applies.

(b) If, after the Issue Date of the Securities, the Company pays a dividend or makes a distribution to all holders of its Common Stock consisting of Capital Stock of any class or series, or similar equity interests, of or relating to a Subsidiary or other business unit of the Company, then the Conversion Rate shall be adjusted in accordance with the formula:

$$R' = R \times (1 + F/M)$$

where:

R' = the adjusted Conversion Rate.

R = the current Conversion Rate.

M = the average of the Post-Distribution Prices of the Common Stock for the 10 Trading Days commencing on and including the fifth Trading Day after the date on which "ex-dividend trading" commences for such dividend or distribution on the principal United States exchange or market which such securities are then listed or quoted (the "Ex-Dividend Date").

F = the fair market value of the securities distributed in respect of each share of Common Stock for which this Section 11.08(b) shall mean the number of securities distributed in respect of each share of Common Stock multiplied by the average of the Post-Distribution Prices of those securities distributed for the 10 Trading Days commencing on and including the fifth Trading Day after the Ex-Dividend Date.

"Post-Distribution Price" of Capital Stock or any similar equity interest on any date means the closing per unit sale price (or, if no closing sale price is reported, the average of the bid and ask prices or, if more than one in either case, the average of the average bid and the average ask prices) on such date for trading of such units on a "when issued" basis without due bills (or similar concept) as reported in the composite transactions for the principal United States securities exchange on which such Capital Stock or equity interest is traded or, if the Capital Stock or equity interest, as the case may be, is not listed on a United States national or regional securities exchange, as reported by the National Association of Securities Dealers Automated Quotation System or by the National Quotation Bureau Incorporated; provided that if on any date such units have not traded on a "when issued" basis, the Post-Distribution Price shall be the closing per unit sale price (or, if no closing sale price is reported, the average of the bid and ask prices or, if more than one in either case, the average of the average bid and the average ask prices) on such date for trading of such units on a "regular way" basis without due bills (or similar concept) as reported in the composite transactions for the principal United States securities exchange on which such Capital Stock or equity interest is traded or, if the Capital Stock or equity interest, as the case may be, is not listed on a United States national or regional securities exchange, as reported by the National Association of Securities Dealers Automated Quotation System or by the National Quotation Bureau Incorporated. In the absence of such quotation, the Company shall be entitled to determine the Post-Distribution Price on the basis of

such quotations which reflect the post-distribution value of the Capital Stock or equity interests as it considers appropriate.

(c) In the event that, with respect to any distribution to which Section 11.08(a) would otherwise apply, the difference "M-F" as defined in the formula set forth in Section 11.08(a) is less than \$1.00 or "F" is equal to or greater than "M", then the adjustment provided by Section 11.08(a) shall not be made and in lieu thereof the provisions of Section 11.16 shall apply to such distribution.

#### SECTION 11.09 Adjustment for Cash Dividends.

(a) If, after the Issue Date of the Securities, the Company distributes to all or substantially all holders of its Common Stock any cash (excluding any dividend or distribution in connection with the liquidation, dissolution or winding up of the Company, whether voluntary or involuntary), the Conversion Rate shall be adjusted, subject to the provisions of Section 11.09(b) in accordance with the formula:

$$R' = R \times \frac{M}{M - C}$$

where,

R' = the adjusted Conversion Rate;

R = the Conversion Rate in effect immediately prior to the Time of Determination;

M = the average of the Closing Prices of the Common Stock for the five consecutive Trading Days prior to the Trading Day immediately preceding the Time of Determination; and

C = the amount in cash per share the Company distributes to holders of the Common Stock (and for which no adjustment has been made).

(b) Notwithstanding the foregoing, in no event will the Conversion Rate exceed 12.4041 shares per \$1,000 principal amount at maturity of the Securities, as adjusted, as a result of an adjustment pursuant to the formula above.

#### SECTION 11.10 Adjustment for Tender Offer.

If, after the Issue Date, the Company makes a payment of cash or other consideration to holders of Common Stock in respect of a tender offer or exchange offer, other than an odd-lot offer, for the Common Stock, and the value of the sum of (i) the aggregate cash and other consideration paid for such Common Stock, and (ii) the aggregate fair market value of any consideration paid for the purchase of Common Stock in respect of a tender offer or exchange offer, other than an odd-lot offer, within the twelve (12) months preceding the date of purchase of such shares of Common Stock in respect of which no adjustment pursuant to this Section 11.10 previously has been made, expressed as an amount per share of Common Stock validly tendered or exchanged pursuant to such tender offer or exchange offer, exceeds the Closing Price of the Common Stock on the Trading Day immediately following the last time

(the "Expiration Time") on which tenders or exchanges may be made pursuant to the tender or exchange offer, then the Conversion Rate shall be adjusted in accordance with the formula:

$$R' = R \times \frac{F + (P \times O)}{O' \times P}$$

where,

R = the Conversion Rate in effect on the Expiration Time;

R' = the Conversion Rate in effect immediately after the Expiration Time;

F = the fair market value (as determined by the Board of Directors) of the aggregate value of all cash and any other consideration paid or payable for shares of Common Stock validly tendered or exchanged and not withdrawn as of the Expiration Time (the "Purchased Shares");

O = the number of shares of Common Stock outstanding immediately after the Expiration Time less any Purchased Shares;

O' = the number of shares of Common Stock outstanding immediately after the Expiration Time, including any Purchased Shares; and

P = the Closing Price of the Common Stock on the Trading Day next succeeding the Expiration Time.

Such increase (if any) shall become effective immediately prior to the opening of business on the day following the Expiration Time. In the event that the Company is obligated to purchase shares pursuant to any such tender offer, but the Company is prevented by applicable law from effecting any such purchases or all such purchases are rescinded, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made. If the application of this Section 11.10 to any tender or exchange offer would result in a decrease in the Conversion Rate, no adjustment shall be made for such tender or exchange offer under this Section 11.10.

#### SECTION 11.11 When Adjustment May Be Deferred.

No adjustment in the Conversion Rate need be made unless the adjustment would require an increase or decrease of at least 1% in the Conversion Rate. Any adjustments that are not made shall be carried forward and taken into account in any subsequent adjustment.

All calculations under this Article 11 shall be made to the nearest cent or to the nearest 1/1,000th of a share, as the case may be (with one-half cent and 5/10,000ths of a share being rounded upward).

#### SECTION 11.12 When No Adjustment Required.

No adjustment need be made for a transaction referred to in Section 11.06, 11.07, 11.08, 11.09, 11.10 or 11.16 if Securityholders are to participate in the transaction on a basis and

with notice that the Board of Directors determines to be fair and appropriate in light of the basis and notice on which holders of Common Stock participate in the transaction. Such participation by Securityholders may include participation upon conversion provided that an adjustment shall be made at such time as the Securityholders are no longer entitled to participate.

No adjustment need be made for rights to purchase Common Stock pursuant to a Company plan for reinvestment of dividends or interest.

No adjustment need be made for a change in the par value or no par value of the Common Stock.

To the extent the Securities become convertible pursuant to this Article 11 into cash, no adjustment need be made thereafter as to the cash. Interest will not accrue on the cash.

#### SECTION 11.13 Notice of Adjustment.

Whenever the Conversion Rate is adjusted, the Company shall promptly mail to Securityholders a notice of the adjustment. The Company shall file with the Trustee and the Conversion Agent such notice and a certificate from the Company's independent public accountants briefly stating the facts requiring the adjustment and the manner of computing it. The certificate shall be conclusive evidence that the adjustment is correct. Neither the Trustee nor any Conversion Agent shall be under any duty or responsibility with respect to any such certificate except to exhibit the same to any Holder desiring inspection thereof.

#### SECTION 11.14 Voluntary Increase.

The Company from time to time may increase the Conversion Rate by any amount for any period of time. Whenever the Conversion Rate is increased, the Company shall mail to Securityholders and file with the Trustee and the Conversion Agent a notice of the increase. The Company shall mail the notice at least 15 days before the date the increased Conversion Rate takes effect. The notice shall state the increased Conversion Rate and the period it will be in effect.

A voluntary increase of the Conversion Rate does not change or adjust the Conversion Rate otherwise in effect for purposes of Section 11.06, 11.07, 11.08, 11.09 or 11.10.

#### SECTION 11.15 Notice of Certain Transactions.

If:

- (1) the Company takes any action that would require an adjustment in the Conversion Rate pursuant to Section 11.06, 11.07, 11.08, 11.09 or 11.10 (unless no adjustment is to occur pursuant to Section 11.12); or
- (2) the Company takes any action that would require a supplemental indenture pursuant to Section 11.16; or
- (3) there is a liquidation or dissolution of the Company;

then the Company shall mail to Securityholders and file with the Trustee and the Conversion Agent a notice stating the proposed record date for a dividend or distribution or the proposed effective date of a subdivision, combination, reclassification, consolidation, merger, binding share exchange, transfer, liquidation or dissolution. The Company shall file and mail the notice at least 15 days before such date. Failure to file or mail the notice or any defect in it shall not affect the validity of the transaction.

SECTION 11.16 Reorganization of Company; Special Distributions.

If the Company is a party to a transaction subject to Section 5.01 (other than a sale of all or substantially all of the assets of the Company in a transaction in which the holders of Common Stock immediately prior to such transaction do not receive securities, cash or other assets of the Company or any other person) or a merger or binding share exchange which reclassifies or changes the outstanding Common Stock of the Company, the person obligated to deliver securities, cash or other assets upon conversion of Securities shall enter into a supplemental indenture. If the issuer of securities deliverable upon conversion of Securities is an Affiliate of the successor Company, that issuer shall join in the supplemental indenture.

The supplemental indenture shall provide that the Holder of a Security may convert it into the kind and amount of securities, cash or other assets which such Holder would have received immediately after the consolidation, merger, binding share exchange or transfer if such Holder had converted the Security immediately before the effective date of the transaction, assuming (to the extent applicable) that such Holder (i) was not a constituent person or an Affiliate of a constituent person to such transaction; (ii) made no election with respect thereto; and (iii) was treated alike with the plurality of non-electing Holders. The supplemental indenture shall provide for adjustments which shall be as nearly equivalent as may be practical to the adjustments provided for in this Article 11. The successor Company shall mail to Securityholders a notice briefly describing the supplemental indenture.

If this Section applies, neither Section 11.06 nor 11.07 applies.

If the Company makes a distribution to all holders of its Common Stock of any of its assets, or debt securities or any rights, warrants or options to purchase securities of the Company that, but for the provisions of Section 11.08(c), would otherwise result in an adjustment in the Conversion Rate pursuant to the provisions of Section 11.08, then, from and after the record date for determining the holders of Common Stock entitled to receive the distribution, a Holder of a Security that converts such Security in accordance with the provisions of this Indenture shall upon such conversion be entitled to receive, in addition to the shares of Common Stock into which the Security is convertible, the kind and amount of securities, cash or other assets comprising the distribution that such Holder would have received if such Holder had converted the Security immediately prior to the record date for determining the holders of Common Stock entitled to receive the distribution.

SECTION 11.17 Company Determination Final.

Any determination that the Company or the Board of Directors must make pursuant to Section 11.03, 11.06, 11.07, 11.08, 11.09, 11.10, 11.11, 11.12, 11.16 or 11.19 is conclusive.

SECTION 11.18 Trustee's Adjustment Disclaimer.

The Trustee has no duty to determine when an adjustment under this Article 11 should be made, how it should be made or what it should be. The Trustee has no duty to determine whether a supplemental indenture under Section 11.16 need be entered into or whether any provisions of any supplemental indenture are correct. The Trustee shall not be accountable for and makes no representation as to the validity or value of any securities or assets issued upon conversion of Securities. The Trustee shall not be responsible for the Company's failure to comply with this Article 11. Each Conversion Agent shall have the same protection under this Section 11.18 as the Trustee.

SECTION 11.19 Simultaneous Adjustments.

In the event that this Article 11 requires adjustments to the Conversion Rate under more than one of Sections 11.06(4), 11.07, 11.08 or 11.09, and the record dates for the distributions giving rise to such adjustments shall occur on the same date, then such adjustments shall be made by applying, first, the provisions of Section 11.06, second, the provisions of Section 11.08, third, the provisions of Section 11.09 and, fourth, the provisions of 11.07.

SECTION 11.20 Successive Adjustments.

After an adjustment to the Conversion Rate under this Article 11, any subsequent event requiring an adjustment under this Article 11 shall cause an adjustment to the Conversion Rate as so adjusted.

SECTION 11.21 Rights Issued in Respect of Common Stock Issued Upon Conversion.

Each share of Common Stock issued upon conversion of Securities pursuant to this Article 11 shall be entitled to receive the appropriate number of rights ("Rights"), if any, and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of the Company's Amended and Restated Rights Agreement, dated as of December 12, 2000, between the Company and American Stock Transfer & Trust Company, as Rights Agent, or any successor shareholder rights agreement adopted by the Company, as the same may be amended from time to time (in each case, a "Rights Agreement"). Provided that such Rights Agreement requires that each share of Common Stock issued upon conversion of Securities at any time prior to the distribution of separate certificates representing the Rights be entitled to receive such Rights, then, notwithstanding anything else to the contrary in this Article 11, there shall not be any adjustment to the conversion privilege or Conversion Rate as a result of the issuance of Rights, the distribution of separate certificates representing the Rights, the exercise or redemption of such

Rights in accordance with any Rights Agreement, or the termination or invalidation of such Rights.

#### SECTION 11.22 Withholding Taxes for Adjustments in Conversion Rate.

If the Company pays withholding taxes on behalf of a Holder as a result of an adjustment to the Conversion Rate, the Company may, at its option, set off such payments against payments of cash and Common Stock on the Securities.

### ARTICLE 12

#### PAYMENT OF INTEREST

##### SECTION 12.01 Interest Payments.

Semiannual or contingent interest on any Security that is payable, and is punctually paid or duly provided for, on any applicable payment date shall be paid to the person in whose name that Security is registered at the close of business on the Regular Record Date or accrual date, as the case may be, for such interest at the office or agency of the Company maintained for such purpose. Each installment of semiannual or contingent interest payable in cash on any Security shall be paid in same-day funds by transfer to an account maintained by the payee located inside the United States, if the Trustee shall have received proper wire transfer instructions from such payee not later than the related Regular Record Date or accrual date, as the case may be, or, if no such instructions have been received by check drawn on a bank in the City of New York mailed to the payee at its address set forth on the Registrar's books. In the case of a permanent Global Security, semiannual or contingent interest payable on any applicable payment date will be paid to the Depositary, with respect to that portion of such permanent Global Security held for its account by Cede & Co. for the purpose of permitting such party to credit the interest received by it in respect of such permanent Global Security to the accounts of the beneficial owners thereof.

##### SECTION 12.02 Defaulted Interest.

Except as otherwise specified with respect to the Securities, any semiannual or contingent interest on any Security that is payable, but is not punctually paid or duly provided for, within 30 days following any applicable payment date (herein called "Defaulted Interest", which term shall include any accrued and unpaid interest that has accrued on such defaulted amount in accordance with paragraph 1 of the Securities), shall forthwith cease to be payable to the registered Holder thereof on the relevant Regular Record Date or accrual date, as the case may be, by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the persons in whose names the Securities are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the

date of the proposed payment (which shall not be less than 20 days after such notice is received by the Trustee), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a special record date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment (the "Special Record Date"). The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities at his address as it appears on the list of Securityholders maintained pursuant to Section 2.05 not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the Securities are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest on the Securities in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

#### SECTION 12.03 Interest Rights Preserved.

Subject to the foregoing provisions of this Article 12 and Section 2.06, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to semiannual and contingent interest accrued and unpaid, and to accrue, which were carried by such other Security.

[FORM OF REVERSE SIDE OF NOTE]  
Zero Coupon Convertible Note due 2032

1. Interest.

This Security shall not bear interest, except as specified in this paragraph or in paragraphs 5 and 11 hereof. If the Principal Amount at Maturity hereof or any portion of such Principal Amount at Maturity is not paid when due (whether upon acceleration pursuant to Section 6.02 of the Indenture, upon the date set for payment of the Redemption Price pursuant to paragraph 6 hereof, upon the date set for payment of the Purchase Price or Change in Control Purchase Price pursuant to paragraph 7 hereof or upon the Stated Maturity of this Security) or if interest (including semiannual or contingent interest, if any) due hereon or any portion of such interest is not paid when due in accordance with paragraph 5 or 11 hereof, then in each such case the overdue amount shall, to the extent permitted by law, bear interest at the rate of 1.125% per annum, compounded semiannually, which interest shall accrue from the date such overdue amount was originally due to the date payment of such amount, including interest thereon, has been made or duly provided for. All such interest shall be payable on demand. The accrual of such interest on overdue amounts shall be in lieu of, and not in addition to, the continued accrual of Original Issue Discount.

Original Issue Discount (the difference between the Initial Principal Amount and the Principal Amount at Maturity of the Security), in the period during which a Security remains outstanding, shall accrue at 1.125% per annum, on a semiannual bond equivalent basis using a 360-day year composed of twelve 30-day months, from the Issue Date of this Security.

2. Method of Payment.

Subject to the terms and conditions of the Indenture, the Company will make payments in respect of Redemption Prices, Purchase Prices, Change in Control Purchase Prices and at Stated Maturity to Holders who surrender Securities to a Paying Agent to collect such payments in respect of the Securities. The Company will pay any cash amounts in money of the United States that at the time of payment is legal tender for payment of public and private debts. However, the Company may make such cash payments by check payable in such money.

3. Paying Agent, Conversion Agent, Registrar and Bid Solicitation Agent.

Initially, LaSalle Bank National Association, a national banking association (the "Trustee"), will act as Paying Agent, Conversion Agent, Registrar and Bid Solicitation Agent. The Company may appoint and change any Paying Agent, Conversion Agent, Registrar or co-registrar or Bid Solicitation Agent without notice, other than notice to the Trustee. The Company or any of its Subsidiaries or any of their Affiliates may act as Paying Agent, Conversion Agent, Registrar or co-registrar. None of the Company, any of its Subsidiaries or any of their Affiliates shall act as Bid Solicitation Agent.

4. Indenture.

The Company issued the Securities under an Indenture dated as of May 6, 2005 (the "Indenture"), between the Company and the Trustee. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as in effect from time to time (the "TIA"). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all such terms, and Securityholders are referred to the Indenture for a statement of those terms.

The Securities are senior unsecured obligations of the Company limited to up to \$2,359,102,000 aggregate Principal Amount at Maturity (subject to Section 2.07 of the Indenture). The Indenture does not limit other indebtedness of the Company, secured or unsecured.

5. Contingent Interest.

Subject to the accrual and record date provisions specified in this paragraph 5, the Company shall pay contingent cash interest to the Holders during any six-month period (a "Contingent Interest Period") from March 2 to September 1 and from September 2 to March 1, commencing March 2, 2007, if the average Securities Market Price for the Five-Day Period with respect to such Contingent Interest Period equals 120% or more of the Accreted Principal Amount of a Security on the day immediately preceding the first day of the relevant Contingent Interest Period.

The amount of contingent interest payable per \$1,000 Principal Amount at Maturity hereof in respect of any Contingent Interest Period shall equal 0.125% of the average Securities Market Price of a Note for the Five-Day Period. This rate will not change in the event the Company varies its dividend rate or the Conversion Rate is adjusted.

Contingent interest, if any, will accrue and be payable to Holders as of the 15th day (whether or not a Business Day) preceding the last day of the relevant Contingent Interest Period. Such payments shall be paid on the last day of the relevant Contingent Interest Period. Original Issue Discount will continue to accrue at 1.125% per annum whether or not contingent interest is paid.

"Five-Day Period" means, with respect to any Contingent Interest Period, the five Trading Days ending on the second Trading Day immediately preceding the first day of such Contingent Interest Period.

"Securities Market Price" means, as of any date of determination, the average of the secondary market bid quotations per \$1,000 Principal Amount at Maturity obtained by the Bid Solicitation Agent for \$10 million Principal Amount at Maturity of Securities at approximately 4:00 p.m., New York City time, on such determination date from three recognized securities dealers in The City of New York (none of which shall be an Affiliate of the Company) selected by the Company; provided, however, if (a) at least three such bids are not obtained by the Bid Solicitation Agent or (b) in the Company's reasonable judgment, the bid quotations are not indicative of the secondary market value of the Securities as of such determination date, then the

Securities Market Price for such determination date shall equal (i) the Conversion Rate in effect as of such determination date multiplied by (ii) the average Closing Price of the Common Stock for the five Trading Days ending on such determination date, appropriately adjusted to take into account the occurrence, during the period commencing on the first of such Trading Days during such five Trading Day period and ending on such determination date, of any event described in Section 11.06, 11.07, 11.08, 11.09 or 11.10 (subject to the conditions set forth in Sections 11.11 and 11.12) of the Indenture.

Upon determination that Holders will be entitled to receive contingent interest which may become payable during a Contingent Interest Period, on or prior to the first day of such Contingent Interest Period, the Company shall promptly notify the Trustee of such determination and shall issue a press release and publish such information on its Internet web site or through such other public medium as the Company may use at that time.

6. Redemption at the Option of the Company.

No sinking fund is provided for the Securities. The Securities are redeemable for cash as a whole, at any time, or in part from time to time at the option of the Company in accordance with the Indenture at the Redemption Prices set forth below, provided that the Securities are not redeemable prior to March 1, 2007.

The table below shows Redemption Prices of a Security per \$1,000 Principal Amount at Maturity on the dates shown below and at Stated Maturity, which prices reflect accrued Original Issue Discount calculated to each such date. The Redemption Price of a Security redeemed between such dates shall include an additional amount reflecting the additional Original Issue Discount accrued since the preceding date in the table but not including the Redemption Date.

If this Security has been converted to a semiannual coupon note following the occurrence of a Tax Event, the Redemption Price will be equal to the Restated Principal Amount plus accrued and unpaid interest from the date of such conversion to but not including the Redemption Date.

In addition to the Redemption Price payable with respect to all Securities or portions thereof to be redeemed as of a Redemption Date, the Holders of such Securities (or portions thereof) shall be entitled to receive accrued and unpaid semiannual and contingent interest, if any, with respect thereto, which interest shall be paid in cash on the Redemption Date.

7. Purchase by the Company at the Option of the Holder.

Subject to the terms and conditions of the Indenture, the Company shall become obligated to purchase for cash, at the option of the Holder, the Securities held by such Holder on the following Purchase Dates and at the following Purchase Prices per \$1,000 Principal Amount

at Maturity, upon delivery of a Purchase Notice containing the information set forth in the Indenture, at any time from the opening of business on the date that is 20 Business Days prior to such Purchase Date until the close of business on such Purchase Date and upon delivery of the Securities to the Paying Agent by the Holder as set forth in the Indenture.

March 1, 2007	\$755.44
March 1, 2012	\$799.02
March 1, 2017	\$845.12

The Company may, from time to time, declare additional Purchase Dates and corresponding Purchase Prices.

The Purchase Prices equal the Accreted Principal Amount.

If prior to a Purchase Date this Security has been converted to a semiannual coupon note following the occurrence of a Tax Event, the Purchase Price will be equal to the Restated Principal Amount plus accrued and unpaid interest from the date of conversion to the Purchase Date.

At the option of the Holder and subject to the terms and conditions of the Indenture, the Company shall become obligated to purchase the Securities held by such Holder no later than 35 Business Days after the occurrence of a Change in Control of the Company, but in no event prior to the date on which such Change in Control occurs, on or prior to March 1, 2007 for a Change in Control Purchase Price equal to the Accreted Principal Amount on the Change in Control Purchase Date, which Change in Control Purchase Price shall be paid in cash.

If prior to a Change in Control Purchase Date, this Security has been converted to a semiannual coupon note following the occurrence of a Tax Event, the Change in Control Purchase Price shall be equal to the Restated Principal Amount plus accrued and unpaid interest from the date of conversion to the Change in Control Purchase Date.

A third party may make the offer and purchase of the Securities in lieu of the Company in accordance with the Indenture.

In addition to the Purchase Price or Change in Control Purchase Price, as the case may be, payable with respect to all Securities or portions thereof to be purchased as of the Purchase Date or the Change in Control Purchase Date, as the case may be, the Holders of such Securities (or portions thereof) shall be entitled to receive accrued and unpaid semiannual and contingent interest, if any, with respect thereto, which shall be paid in cash on or prior to the third Business Day following the later of the Purchase Date or the Change in Control Purchase Date, as the case may be, and the time of delivery of such Securities to the Paying Agent pursuant to the Indenture.

Holders have the right to withdraw any Purchase Notice or Change in Control Purchase Notice, as the case may be, by delivering to the Paying Agent a written notice of withdrawal in accordance with the provisions of the Indenture.

If cash (and/or securities if permitted under the Indenture) sufficient to pay the Purchase Price or Change in Control Purchase Price, as the case may be, of, together with any accrued and unpaid semiannual and contingent interest with respect to, all Securities or portions thereof to be purchased as of the Purchase Date or the Change in Control Purchase Date, as the case may be, is deposited with the Paying Agent on or prior to the third Business Day following the Purchase Date or the Change in Control Purchase Date, as the case may be, Original Issue Discount and interest (including semiannual and contingent interest), if any, shall cease to accrue on such Securities (or portions thereof) immediately after such Purchase Date or Change in Control Purchase Date, as the case may be, and the Holder thereof shall have no other rights as such (other than the right to receive the Purchase Price or Change in Control Purchase Price, as the case may be, and accrued and unpaid semiannual and contingent interest, if any, upon surrender of such Security).

8. Notice of Redemption.

Notice of redemption will be mailed at least 15 days but not more than 60 days before the Redemption Date to each Holder of Securities to be redeemed at the Holder's registered address. If money sufficient to pay the Redemption Price of, and accrued and unpaid contingent interest, if any, with respect to, all Securities (or portions thereof) to be redeemed on the Redemption Date is deposited with the Paying Agent prior to or on the Redemption Date, on such Redemption Date, Original Issue Discount and interest (including semiannual and contingent interest), if any, shall cease to accrue on such Securities or portions thereof. Securities in denominations larger than \$1,000 of Principal Amount at Maturity may be redeemed in part but only in integral multiples of \$1,000 of Principal Amount at Maturity.

9. Conversion.

A Holder of a Security may convert it into cash and shares, if any, of Common Stock of the Company before the close of business on March 1, 2032 if at least one of the following conditions is satisfied:

(a) during any calendar quarter if the Closing Price of the Common Stock for at least 20 Trading Days in the period of 30 consecutive Trading Days ending on the last Trading Day of the quarter preceding the quarter in which the conversion occurs exceeds 100% of the Accreted Conversion Price per share on that 30th Trading Day. The Conversion Agent will determine on the Company's behalf at the end of each quarter whether the Securities are convertible as a result of the market price of the Common Stock;

(b) the Securities have been called for redemption by the Company at any time prior to the close of business on the Business Day prior to the Redemption Date; or

(c) (i) the Company elects to distribute to all holders of Common Stock rights or warrants entitling them to subscribe for or purchase, for a period expiring within 60 days after the record date, Common Stock at less than the Average Closing Price, (ii) the Company elects to distribute to all holders of Common Stock cash, debt securities (or other evidence of indebtedness) or other assets (excluding dividends or distributions described in Sections 11.06(a), 11.06(b) and 11.06(c) of the Indenture, which distribution, together with all

other distributions within the preceding twelve months, has a per share value exceeding 15% of the average of the Closing Prices of the Common Stock for the five consecutive Trading Days ending on the date immediately preceding the first public announcement of the distribution, or (iii) in the event the Company is a party to a consolidation, merger, binding share exchange, transfer or lease of all or substantially all of the Company's assets, pursuant to which the Common Stock would be converted into cash, securities or other assets, at any time and from or after the date which is 15 days prior to the anticipated effective date of the transaction until 15 days after the actual effective date of such transaction (or, if such transaction also constitutes a change in control, until the Change in Control Purchase Date). After the effective time, settlement of the Securities and the Conversion Value and the Net Share Amount will be based on the kind and amount of cash, securities or other assets of Amgen Inc. or another person that the Holder would have received had the Holder converted its Securities immediately prior to the transaction. The Company will notify Holders and the Trustee as promptly as practicable following the date the Company publicly announces such transaction (but in no event less than 15 days prior to the effective date of such transaction).

If the Company makes a distribution described in subsection (c), the Company must notify Holders at least 20 days prior to the Ex-Dividend Date for such distribution. Once the Company has given such notice, Holders may surrender their Securities for conversion at any time until the earlier of the close of business on the Business Day prior to the Ex-Dividend Date or the Company's announcement that such distribution will not take place, even if the Securities are not convertible at that time. No adjustment to the ability of Holders to convert will be made if Holders are entitled to participate in the distribution without conversion.

If the transaction also constitutes a "change in control," the Holder can require the Company to purchase all or a portion of its Securities pursuant to Section 3.09 of the Indenture.

If the Security is called for redemption, the Holder may convert it only until the close of business one Business Day immediately preceding the Redemption Date, even if the Security is not otherwise convertible at such time. A Security in respect of which a Holder has delivered a Purchase Notice or Change in Control Purchase Notice exercising the option of such Holder to require the Company to purchase such Security may be converted only if such notice of exercise is withdrawn in accordance with the terms of the Indenture.

The Initial Conversion Rate is 8.8601 shares of Common Stock per \$1,000 Principal Amount at Maturity, subject to adjustment in certain events described in the Indenture. The Company will deliver cash or a check in lieu of any fractional share of Common Stock.

In the event the Company exercises its option pursuant to Section 10.01 of the Indenture to have interest in lieu of Original Issue Discount accrue on the Security following a Tax Event, the Holder will be entitled on conversion to receive the same Conversion Value such Holder would have received if the Company had not exercised such option. However, the Required Cash Amount will equal the lesser of (x) the Restated Principal Amount of the Securities or (y) the Conversion Value, and the Net Share Amount, if any, will be based on this new "Required Cash Amount" definition.

Accrued and unpaid semiannual and contingent interest will not be paid in cash on Securities that are converted but will be paid in the manner provided in the following paragraph; provided, however, that Securities surrendered for conversion during the period, in the case of semiannual interest, from the close of business on any Regular Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date or, in the case of contingent interest, from the close of business on any date on which contingent interest accrues to the opening of business on the date on which such contingent interest is payable, shall be entitled to receive such semiannual or contingent interest, as the case may be, payable on such Securities on the corresponding Interest Payment Date or the date on which such contingent interest is payable and (except Securities with respect to which the Company has mailed a notice of redemption) Securities surrendered for conversion during such periods must be accompanied by payment of an amount equal to the semiannual or contingent interest with respect thereto that the registered Holder is to receive.

A Holder may convert a portion of a Security if the Principal Amount at Maturity of such portion is \$1,000 or an integral multiple of \$1,000. No payment or adjustment will be made for dividends on the Common Stock except as provided in the Indenture. On conversion of a Security, accrued Original Issue Discount (or interest if the Company has exercised its option provided for in paragraph 11(a) hereof) attributable to the period from the Issue Date (or, if the Company has exercised the option referred to in paragraph 11(a) hereof, the later of (x) the date of such exercise and (y) the date on which interest was last paid) through the Conversion Date and (except as provided above) accrued contingent interest with respect to the converted Security shall not be cancelled, extinguished or forfeited, but rather shall be deemed to be paid in full to the Holder thereof through the delivery of cash and, if applicable, shares of Common Stock in exchange for the Security being converted pursuant to the terms hereof; and the fair market value of such shares of Common Stock shall be treated as issued, to the extent thereof, first in exchange for Original Issue Discount (or interest, if the Company has exercised its option provided for in paragraph 11(a) hereof) accrued through the Conversion Date and accrued contingent interest, and the balance, if any, of such Initial Principal Amount of the Security being converted pursuant to the provisions hereof.

The Company will not adjust the Conversion Rate to account for accrued interest, if any. On conversion of a Security, a Holder will not receive any cash payment of interest representing accrued Original Issue Discount or accrued Tax OID or, except as described herein, contingent interest or semiannual interest. As a result, accrued interest will be deemed paid in full rather than cancelled, extinguished or forfeited.

To convert a Security that is represented by a Global Security, a Holder must convert by book-entry transfer to the Conversion Agent through the facilities of the DTC. To convert a Security that is represented by a Certificated Security, a Holder must (1) complete and manually sign the conversion notice below (or complete and manually sign a facsimile of such notice) and deliver such notice to the Conversion Agent, (2) surrender the Security to the Conversion Agent, (3) furnish appropriate endorsements and transfer documents if required by the Conversion Agent, the Company or the Trustee and (4) pay any transfer or similar tax, if required.

The Conversion Rate will be adjusted for dividends or distributions on Common Stock payable in Common Stock or other Capital Stock; subdivisions, combinations or certain

reclassifications of Common Stock; distributions to all holders of Common Stock of certain rights to purchase Common Stock for a period expiring within 60 days of the record date for such distribution at less than the Closing Price of the Common Stock at the Time of Determination; distributions to such holders of assets (including shares of Capital Stock of a Subsidiary) or debt securities of the Company or certain rights to purchase securities of the Company; cash dividends or cash distributions; and distributions in respect of a tender offer or exchange offer of the Common Stock. However, no adjustment need be made if Securityholders may participate in the transaction or in certain other cases. The Company from time to time may voluntarily increase the Conversion Rate.

If the Company is a party to a consolidation, merger or binding share exchange or a transfer of all or substantially all of its assets, or upon certain distributions described in the Indenture, the right to convert a Security into cash and Common Stock, if any, may be changed into a right to convert it into the kind and amount of securities, cash or other assets of the Company or another person which the Holder would have received if the Holder had converted its Securities immediately prior to the transaction.

10. Conversion Arrangement on Call for Redemption.

Any Securities called for redemption, unless surrendered for conversion before the close of business on the Redemption Date, may be deemed to be purchased from the Holders of such Securities at an amount not less than the Redemption Price, by one or more investment bankers or other purchasers who may agree with the Company to purchase such Securities from the Holders, to convert them into Common Stock of the Company and to make payment for such Securities to the Trustee in trust for such Holders.

11. Tax Event.

(a) From and after (i) the date (the "Tax Event Date") of the occurrence of a Tax Event or (ii) the date the Company exercises such option, whichever is later (the later of such dates, the "Option Exercise Date"), at the option of the Company, interest in lieu of future Original Issue Discount shall accrue at the rate of 1.125% per annum on a principal amount per Security (the "Restated Principal Amount") equal to the Accreted Principal Amount on the Option Exercise Date.

(b) From and after the Option Exercise Date, contingent interest provided for in paragraph 5 hereof shall cease to accrue on this Security.

(c) Interest accrual on any Security under paragraph 11(a) above shall be payable semiannually on March 1 and September 1 of each year (each an "Interest Payment Date") to holders of record at the close of business on February 14 or August 17 (each a "Regular Record Date") immediately preceding such Interest Payment Date. Such interest will be computed on the basis of a 360-day year comprised of twelve 30-day months and will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Option Exercise Date. Interest on any Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the person in whose name that Security is registered at the close of business on the Regular Record Date for such interest at the office or

agency of the Company maintained for such purpose. Each installment of interest on any Security shall be paid in same-day funds by transfer to an account maintained by the payee located inside the United States.

12. Defaulted Interest.

Except as otherwise specified with respect to the Securities, any Defaulted Interest on any Security shall forthwith cease to be payable to the registered Holder thereof on the relevant Regular Record Date or accrual date, as the case may be, by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company as provided for in Section 12.02 of the Indenture.

13. Denominations; Transfer; Exchange.

The Securities are in fully registered form, without coupons, in denominations of \$1,000 of Principal Amount at Maturity and integral multiples of \$1,000. A Holder may transfer or exchange Securities in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer or exchange of any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or any Securities in respect of which a Purchase Notice or Change in Control Purchase Notice has been given and not withdrawn (except, in the case of a Security to be purchased in part, the portion of the Security not to be purchased) or any Securities for a period of 15 days before the mailing of a notice of redemption of Securities to be redeemed.

14. Persons Deemed Owners.

The registered Holder of this Security may be treated as the owner of this Security for all purposes.

15. Unclaimed Money or Securities.

The Trustee and the Paying Agent shall return to the Company upon written request any money or securities held by them for the payment of any amount with respect to the Securities that remains unclaimed for two years, subject to applicable unclaimed property laws. After return to the Company, Holders entitled to the money or securities must look to the Company for payment as general creditors unless an applicable abandoned property law designates another person.

16. Amendment; Waiver.

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding and (ii) certain Defaults may be waived with the written consent of the Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding. Subject to certain exceptions set forth in the Indenture, without the consent of any Securityholder, the Company and the Trustee

may amend the Indenture or the Securities to cure any ambiguity, omission, defect or inconsistency, or to comply with Article 5 or Section 11.16 of the Indenture, to secure the Company's obligations under this Security or to add to the Company's covenants for the benefit of the Securityholders or to surrender any right or power conferred, or to comply with any requirement of the SEC in connection with the qualification of the Indenture under the Trust Indenture Act of 1939 and any amendment thereof, or as necessary in connection with the registration of the Securities under the Securities Act or to make any change that does not adversely affect the rights of any Holders.

#### 17. Defaults and Remedies.

Under the Indenture, Events of Default include (i) default in the payment of contingent interest when the same becomes due and payable or of semiannual interest which becomes due and payable upon exercise by the Company of its option provided for in paragraph 11(a) hereof which default in any such case continues for 30 days; (ii) default in payment of the Principal Amount at Maturity (or, if the Securities have been converted to semiannual coupon notes following a Tax Event, the Restated Principal Amount), Initial Principal Amount plus accrued Original Issue Discount, Accreted Principal Amount, Redemption Price, Purchase Price or Change in Control Purchase Price, as the case may be, in respect of the Securities when the same becomes due and payable; (iii) failure by the Company to comply with other agreements in the Indenture or the Securities, subject to notice and lapse of time; (iv) (a) failure of the Company to make any payment by the end of any applicable grace period after maturity of Debt in an amount in excess of \$50,000,000, or (b) the acceleration of Debt in an amount in excess of \$50,000,000 because of a default with respect to such Debt without such Debt having been discharged or such acceleration having been cured, waived, rescinded or annulled, subject to notice and lapse of time; provided, however, that if any such failure or acceleration referred to in (a) or (b) above shall cease or be cured, waived, rescinded or annulled, then the Event of Default by reason thereof shall be deemed not to have occurred; and (v) certain events of bankruptcy or insolvency. If an Event of Default occurs and is continuing, the Trustee, or the Holders of at least 25% in aggregate Principal Amount at Maturity of the Securities at the time outstanding, may declare the Accreted Principal Amount through the date of such declaration, and any accrued and unpaid interest (including semiannual interest and contingent interest) if any, through the date of such declaration, on all the Securities to be due and payable immediately. Certain events of bankruptcy or insolvency are Events of Default which will result in the Accreted Principal Amount on the Securities, and any accrued and unpaid interest (including semiannual interest and contingent interest) if any, through the occurrence of such event, becoming due and payable immediately upon the occurrence of such Events of Default.

Securityholders may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security reasonably satisfactory to it. Subject to certain limitations, Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Securityholders notice of any continuing Default (except a Default in payment of amounts specified in clause (i) or (ii) above) if it determines that withholding notice is in their interests.

18. Trustee Dealings with the Company.

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

19. No Recourse Against Others.

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Securityholder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

20. Authentication.

This Security shall not be valid until an authorized officer of the Trustee manually signs the Trustee's Certificate of Authentication on the other side of this Security.

21. Abbreviations.

Customary abbreviations may be used in the name of a Securityholder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with right of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

### 1. Interest.

This Security shall not bear interest, except as specified in this paragraph or in paragraphs 5 and 11 hereof. If the Principal Amount at Maturity hereof or any portion of such Principal Amount at Maturity is not paid when due (whether upon acceleration pursuant to Section 6.02 of the Indenture, upon the date set for payment of the Redemption Price pursuant to paragraph 6 hereof, upon the date set for payment of the Purchase Price or Change in Control Purchase Price pursuant to paragraph 7 hereof or upon the Stated Maturity of this Security) or if interest (including semiannual or contingent interest, if any) due hereon or any portion of such interest is not paid when due in accordance with paragraph 5 or 11 hereof, then in each such case the overdue amount shall, to the extent permitted by law, bear interest at the rate of 1.125% per annum, compounded semiannually, which interest shall accrue from the date such overdue amount was originally due to the date payment of such amount, including interest thereon, has been made or duly provided for. All such interest shall be payable on demand. The accrual of such interest on overdue amounts shall be in lieu of, and not in addition to, the continued accrual of Original Issue Discount.

Original Issue Discount (the difference between the Initial Principal Amount and the Principal Amount at Maturity of the Security), in the period during which a Security remains outstanding, shall accrue at 1.125% per annum, on a semiannual bond equivalent basis using a 360-day year composed of twelve 30-day months, from the Issue Date of this Security.

### 2. Method of Payment.

Subject to the terms and conditions of the Indenture, the Company will make payments in respect of Redemption Prices, Purchase Prices, Change in Control Purchase Prices and at Stated Maturity to Holders who surrender Securities to a Paying Agent to collect such payments in respect of the Securities. The Company will pay any cash amounts in money of the United States that at the time of payment is legal tender for payment of public and private debts. However, the Company may make such cash payments by check payable in such money.

### 3. Paying Agent, Conversion Agent, Registrar and Bid Solicitation Agent.

Initially, LaSalle Bank National Association, a national banking association (the "Trustee"), will act as Paying Agent, Conversion Agent, Registrar and Bid Solicitation Agent. The Company may appoint and change any Paying Agent, Conversion Agent, Registrar or co-registrar or Bid Solicitation Agent without notice, other than notice to the Trustee. The Company or any of its Subsidiaries or any of their Affiliates may act as Paying Agent, Conversion Agent, Registrar or co-registrar. None of the Company, any of its Subsidiaries or any of their Affiliates shall act as Bid Solicitation Agent.

### 4. Indenture.

The Company issued the Securities under an Indenture dated as of May 6, 2005 (the "Indenture"), between the Company and the Trustee. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture

Act of 1939, as in effect from time to time (the "TIA"). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all such terms, and Securityholders are referred to the Indenture for a statement of those terms.

The Securities are senior unsecured obligations of the Company limited to up to \$2,359,102,000 aggregate Principal Amount at Maturity (subject to Section 2.07 of the Indenture). The Indenture does not limit other indebtedness of the Company, secured or unsecured.

#### 5. Contingent Interest.

Subject to the accrual and record date provisions specified in this paragraph 5, the Company shall pay contingent cash interest to the Holders during any six-month period (a "Contingent Interest Period") from March 2 to September 1 and from September 2 to March 1, commencing March 2, 2007, if the average Securities Market Price for the Five-Day Period with respect to such Contingent Interest Period equals 120% or more of the Accreted Principal Amount of a Security on the day immediately preceding the first day of the relevant Contingent Interest Period.

The amount of contingent interest payable per \$1,000 Principal Amount at Maturity hereof in respect of any Contingent Interest Period shall equal 0.125% of the average Securities Market Price of a Note for the Five-Day Period. This rate will not change in the event the Company varies its dividend rate or the Conversion Rate is adjusted.

Contingent interest, if any, will accrue and be payable to Holders as of the 15th day (whether or not a Business Day) preceding the last day of the relevant Contingent Interest Period. Such payments shall be paid on the last day of the relevant Contingent Interest Period. Original Issue Discount will continue to accrue at 1.125% per annum whether or not contingent interest is paid.

"Five-Day Period" means, with respect to any Contingent Interest Period, the five Trading Days ending on the second Trading Day immediately preceding the first day of such Contingent Interest Period.

"Securities Market Price" means, as of any date of determination, the average of the secondary market bid quotations per \$1,000 Principal Amount at Maturity obtained by the Bid Solicitation Agent for \$10 million Principal Amount at Maturity of Securities at approximately 4:00 p.m., New York City time, on such determination date from three recognized securities dealers in The City of New York (none of which shall be an Affiliate of the Company) selected by the Company; provided, however, if (a) at least three such bids are not obtained by the Bid Solicitation Agent or (b) in the Company's reasonable judgment, the bid quotations are not indicative of the secondary market value of the Securities as of such determination date, then the Securities Market Price for such determination date shall equal (i) the Conversion Rate in effect as of such determination date multiplied by (ii) the average Closing Price of the Common Stock for the five Trading Days ending on such determination date, appropriately adjusted to take into account the occurrence, during the period commencing on the first of such Trading Days during such five Trading Day period and ending on such determination date, of any event described in

Section 11.06, 11.07, 11.08, 11.09 or 11.10 (subject to the conditions set forth in Sections 11.11 and 11.12) of the Indenture.

Upon determination that Holders will be entitled to receive contingent interest which may become payable during a Contingent Interest Period, on or prior to the first day of such Contingent Interest Period, the Company shall promptly notify the Trustee of such determination and shall issue a press release and publish such information on its Internet web site or through such other public medium as the Company may use at that time.

6. Redemption at the Option of the Company.

No sinking fund is provided for the Securities. The Securities are redeemable for cash as a whole, at any time, or in part from time to time at the option of the Company in accordance with the Indenture at the Redemption Prices set forth below, provided that the Securities are not redeemable prior to March 1, 2007.

The table below shows Redemption Prices of a Security per \$1,000 Principal Amount at Maturity on the dates shown below and at Stated Maturity, which prices reflect accrued Original Issue Discount calculated to each such date. If this Security has been converted to a semiannual coupon note following the occurrence of a Tax Event, the Redemption Price will be equal to the Restated Principal Amount plus accrued and unpaid interest from the date of such conversion to but not including the Redemption Date.

In addition to the Redemption Price payable with respect to all Securities or portions thereof to be redeemed as of a Redemption Date, the Holders of such Securities (or portions thereof) shall be entitled to receive accrued and unpaid semiannual and contingent interest, if any, with respect thereto, which interest shall be paid in cash on the Redemption Date.

7. Purchase by the Company at the Option of the Holder.

Subject to the terms and conditions of the Indenture, the Company shall become obligated to purchase for cash, at the option of the Holder, the Securities held by such Holder on the following Purchase Dates and at the following Purchase Prices per \$1,000 Principal Amount

at Maturity, upon delivery of a Purchase Notice containing the information set forth in the Indenture, at any time from the opening of business on the date that is 20 Business Days prior to such Purchase Date until the close of business on such Purchase Date and upon delivery of the Securities to the Paying Agent by the Holder as set forth in the Indenture.

March 1, 2007	\$755.44
March 1, 2012	\$799.02
March 1, 2017	\$845.12

The Company may, from time to time, declare additional Purchase Dates and corresponding Purchase Prices.

The Purchase Prices equal the Accreted Principal Amount.

If prior to a Purchase Date this Security has been converted to a semiannual coupon note following the occurrence of a Tax Event, the Purchase Price will be equal to the Restated Principal Amount plus accrued and unpaid interest from the date of conversion to the Purchase Date.

At the option of the Holder and subject to the terms and conditions of the Indenture, the Company shall become obligated to purchase the Securities held by such Holder no later than 35 Business Days after the occurrence of a Change in Control of the Company, but in no event prior to the date on which such Change in Control occurs, on or prior to March 1, 2007 for a Change in Control Purchase Price equal to the Accreted Principal Amount on the Change in Control Purchase Date, which Change in Control Purchase Price shall be paid in cash.

If prior to a Change in Control Purchase Date, this Security has been converted to a semiannual coupon note following the occurrence of a Tax Event, the Change in Control Purchase Price shall be equal to the Restated Principal Amount plus accrued and unpaid interest from the date of conversion to the Change in Control Purchase Date.

A third party may make the offer and purchase of the Securities in lieu of the Company in accordance with the Indenture.

In addition to the Purchase Price or Change in Control Purchase Price, as the case may be, payable with respect to all Securities or portions thereof to be purchased as of the Purchase Date or the Change in Control Purchase Date, as the case may be, the Holders of such Securities (or portions thereof) shall be entitled to receive accrued and unpaid semiannual and contingent interest, if any, with respect thereto, which shall be paid in cash on or prior to the third Business Day following the later of the Purchase Date or the Change in Control Purchase Date, as the case may be, and the time of delivery of such Securities to the Paying Agent pursuant to the Indenture.

Holders have the right to withdraw any Purchase Notice or Change in Control Purchase Notice, as the case may be, by delivering to the Paying Agent a written notice of withdrawal in accordance with the provisions of the Indenture.

If cash (and/or securities if permitted under the Indenture) sufficient to pay the Purchase Price or Change in Control Purchase Price, as the case may be, of, together with any accrued and unpaid semiannual and contingent interest with respect to, all Securities or portions thereof to be purchased as of the Purchase Date or the Change in Control Purchase Date, as the case may be, is deposited with the Paying Agent on or prior to the third Business Day following the Purchase Date or the Change in Control Purchase Date, as the case may be, Original Issue Discount and interest (including semiannual and contingent interest), if any, shall cease to accrue on such Securities (or portions thereof) immediately after such Purchase Date or Change in Control Purchase Date, as the case may be, and the Holder thereof shall have no other rights as such (other than the right to receive the Purchase Price or Change in Control Purchase Price, as the case may be, and accrued and unpaid semiannual and contingent interest, if any, upon surrender of such Security).

#### 8. Notice of Redemption.

Notice of redemption will be mailed at least 15 days but not more than 60 days before the Redemption Date to each Holder of Securities to be redeemed at the Holder's registered address. If money sufficient to pay the Redemption Price of, and accrued and unpaid contingent interest, if any, with respect to, all Securities (or portions thereof) to be redeemed on the Redemption Date is deposited with the Paying Agent prior to or on the Redemption Date, on such Redemption Date, Original Issue Discount and interest (including semiannual and contingent interest), if any, shall cease to accrue on such Securities or portions thereof. Securities in denominations larger than \$1,000 of Principal Amount at Maturity may be redeemed in part but only in integral multiples of \$1,000 of Principal Amount at Maturity.

#### 9. Conversion.

A Holder of a Security may convert it into cash and shares, if any, of Common Stock of the Company before the close of business on March 1, 2032 if at least one of the following conditions is satisfied:

(a) during any calendar quarter if the Closing Price of the Common Stock for at least 20 Trading Days in the period of 30 consecutive Trading Days ending on the last Trading Day of the quarter preceding the quarter in which the conversion occurs exceeds 100% of the Accreted Conversion Price per share on that 30th Trading Day. The Conversion Agent will determine on the Company's behalf at the end of each quarter whether the Securities are convertible as a result of the market price of the Common Stock;

(b) the Securities have been called for redemption by the Company at any time prior to the close of business on the Business Day prior to the Redemption Date; or

(c) (i) the Company elects to distribute to all holders of Common Stock rights or warrants entitling them to subscribe for or purchase, for a period expiring within 60 days after the record date, Common Stock at less than the Average Closing Price, (ii) the Company elects to distribute to all holders of Common Stock cash, debt securities (or other evidence of indebtedness) or other assets (excluding dividends or distributions described in Sections 11.06(a), 11.06(b) and 11.06(c) of the Indenture, which distribution, together with all

other distributions within the preceding twelve months, has a per share value exceeding 15% of the average of the Closing Prices of the Common Stock for the five consecutive Trading Days ending on the date immediately preceding the first public announcement of the distribution, or (iii) in the event the Company is a party to a consolidation, merger, binding share exchange, transfer or lease of all or substantially all of the Company's assets, pursuant to which the Common Stock would be converted into cash, securities or other assets, at any time and from or after the date which is 15 days prior to the anticipated effective date of the transaction until 15 days after the actual effective date of such transaction (or, if such transaction also constitutes a change in control, until the Change in Control Purchase Date). After the effective time, settlement of the Securities and the Conversion Value and the Net Share Amount will be based on the kind and amount of cash, securities or other assets of Amgen Inc. or another person that the Holder would have received had the Holder converted its Securities immediately prior to the transaction. The Company will notify Holders and the Trustee as promptly as practicable following the date the Company publicly announces such transaction (but in no event less than 15 days prior to the effective date of such transaction).

If the Company makes a distribution described in subsection (c), the Company must notify Holders at least 20 days prior to the Ex-Dividend Date for such distribution. Once the Company has given such notice, Holders may surrender their Securities for conversion at any time until the earlier of the close of business on the Business Day prior to the Ex-Dividend Date or the Company's announcement that such distribution will not take place, even if the Securities are not convertible at that time. No adjustment to the ability of Holders to convert will be made if Holders are entitled to participate in the distribution without conversion.

If the transaction also constitutes a "change in control," the Holder can require the Company to purchase all or a portion of its Securities pursuant to Section 3.09 of the Indenture.

If the Security is called for redemption, the Holder may convert it only until the close of business one Business Day immediately preceding the Redemption Date, even if the Security is not otherwise convertible at such time. A Security in respect of which a Holder has delivered a Purchase Notice or Change in Control Purchase Notice exercising the option of such Holder to require the Company to purchase such Security may be converted only if such notice of exercise is withdrawn in accordance with the terms of the Indenture.

The Initial Conversion Rate is 8.8601 shares of Common Stock per \$1,000 Principal Amount at Maturity, subject to adjustment in certain events described in the Indenture. The Company will deliver cash or a check in lieu of any fractional share of Common Stock.

In the event the Company exercises its option pursuant to Section 10.01 of the Indenture to have interest in lieu of Original Issue Discount accrue on the Security following a Tax Event, the Holder will be entitled on conversion to receive the same Conversion Value such Holder would have received if the Company had not exercised such option. However, the Required Cash Amount will equal the lesser of (x) the Restated Principal Amount of the Securities or (y) the Conversion Value, and the Net Share Amount, if any, will be based on this new "Required Cash Amount" definition.

Accrued and unpaid semiannual and contingent interest will not be paid in cash on Securities that are converted but will be paid in the manner provided in the following paragraph; provided, however, that Securities surrendered for conversion during the period, in the case of semiannual interest, from the close of business on any Regular Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date or, in the case of contingent interest, from the close of business on any date on which contingent interest accrues to the opening of business on the date on which such contingent interest is payable, shall be entitled to receive such semiannual or contingent interest, as the case may be, payable on such Securities on the corresponding Interest Payment Date or the date on which such contingent interest is payable and (except Securities with respect to which the Company has mailed a notice of redemption) Securities surrendered for conversion during such periods must be accompanied by payment of an amount equal to the semiannual or contingent interest with respect thereto that the registered Holder is to receive.

A Holder may convert a portion of a Security if the Principal Amount at Maturity of such portion is \$1,000 or an integral multiple of \$1,000. No payment or adjustment will be made for dividends on the Common Stock except as provided in the Indenture. On conversion of a Security, accrued Original Issue Discount (or interest if the Company has exercised its option provided for in paragraph 11(a) hereof) attributable to the period from the Issue Date (or, if the Company has exercised the option referred to in paragraph 11(a) hereof, the later of (x) the date of such exercise and (y) the date on which interest was last paid) through the Conversion Date and (except as provided above) accrued contingent interest with respect to the converted Security shall not be cancelled, extinguished or forfeited, but rather shall be deemed to be paid in full to the Holder thereof through the delivery of cash and, if applicable, shares of Common Stock in exchange for the Security being converted pursuant to the terms hereof; and the fair market value of such shares of Common Stock shall be treated as issued, to the extent thereof, first in exchange for Original Issue Discount (or interest, if the Company has exercised its option provided for in paragraph 11(a) hereof) accrued through the Conversion Date and accrued contingent interest, and the balance, if any, of such Initial Principal Amount of the Security being converted pursuant to the provisions hereof.

The Company will not adjust the Conversion Rate to account for accrued interest, if any. On conversion of a Security, a Holder will not receive any cash payment of interest representing accrued Original Issue Discount or accrued Tax OID or, except as described herein, contingent interest or semiannual interest. As a result, accrued interest will be deemed paid in full rather than cancelled, extinguished or forfeited.

To convert a Security that is represented by a Global Security, a Holder must convert by book-entry transfer to the Conversion Agent through the facilities of the DTC. To convert a Security that is represented by a Certificated Security, a Holder must (1) complete and manually sign the conversion notice below (or complete and manually sign a facsimile of such notice) and deliver such notice to the Conversion Agent, (2) surrender the Security to the Conversion Agent, (3) furnish appropriate endorsements and transfer documents if required by the Conversion Agent, the Company or the Trustee and (4) pay any transfer or similar tax, if required.

The Conversion Rate will be adjusted for dividends or distributions on Common Stock payable in Common Stock or other Capital Stock; subdivisions, combinations or certain

reclassifications of Common Stock; distributions to all holders of Common Stock of certain rights to purchase Common Stock for a period expiring within 60 days of the record date for such distribution at less than the Closing Price of the Common Stock at the Time of Determination; distributions to such holders of assets (including shares of Capital Stock of a Subsidiary) or debt securities of the Company or certain rights to purchase securities of the Company; cash dividends or cash distributions; and distributions in respect of a tender offer or exchange offer of the Common Stock. However, no adjustment need be made if Securityholders may participate in the transaction or in certain other cases. The Company from time to time may voluntarily increase the Conversion Rate.

If the Company is a party to a consolidation, merger or binding share exchange or a transfer of all or substantially all of its assets, or upon certain distributions described in the Indenture, the right to convert a Security into cash and Common Stock, if any, may be changed into a right to convert it into the kind and amount of securities, cash or other assets of the Company or another person which the Holder would have received if the Holder had converted its Securities immediately prior to the transaction.

#### 10. Conversion Arrangement on Call for Redemption.

Any Securities called for redemption, unless surrendered for conversion before the close of business on the Redemption Date, may be deemed to be purchased from the Holders of such Securities at an amount not less than the Redemption Price, by one or more investment bankers or other purchasers who may agree with the Company to purchase such Securities from the Holders, to convert them into Common Stock of the Company and to make payment for such Securities to the Trustee in trust for such Holders.

#### 11. Tax Event.

(a) From and after (i) the date (the "Tax Event Date") of the occurrence of a Tax Event or (ii) the date the Company exercises such option, whichever is later (the later of such dates, the "Option Exercise Date"), at the option of the Company, interest in lieu of future Original Issue Discount shall accrue at the rate of 1.125% per annum on a principal amount per Security (the "Restated Principal Amount") equal to the Accreted Principal Amount on the Option Exercise Date.

(b) From and after the Option Exercise Date, contingent interest provided for in paragraph 5 hereof shall cease to accrue on this Security.

(c) Interest accrual on any Security under paragraph 11(a) above shall be payable semiannually on March 1 and September 1 of each year (each an "Interest Payment Date") to holders of record at the close of business on February 14 or August 17 (each a "Regular Record Date") immediately preceding such Interest Payment Date. Such interest will be computed on the basis of a 360-day year comprised of twelve 30-day months and will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Option Exercise Date. Interest on any Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the person in whose name that Security is registered at the close of business on the Regular Record Date for such interest at the office or

agency of the Company maintained for such purpose. Each installment of interest on any Security shall be paid in same-day funds by transfer to an account maintained by the payee located inside the United States.

#### 12. Defaulted Interest.

Except as otherwise specified with respect to the Securities, any Defaulted Interest on any Security shall forthwith cease to be payable to the registered Holder thereof on the relevant Regular Record Date or accrual date, as the case may be, by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company as provided for in Section 12.02 of the Indenture.

#### 13. Denominations; Transfer; Exchange.

The Securities are in fully registered form, without coupons, in denominations of \$1,000 of Principal Amount at Maturity and integral multiples of \$1,000. A Holder may transfer or exchange Securities in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer or exchange of any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or any Securities in respect of which a Purchase Notice or Change in Control Purchase Notice has been given and not withdrawn (except, in the case of a Security to be purchased in part, the portion of the Security not to be purchased) or any Securities for a period of 15 days before the mailing of a notice of redemption of Securities to be redeemed.

#### 14. Persons Deemed Owners.

The registered Holder of this Security may be treated as the owner of this Security for all purposes.

#### 15. Unclaimed Money or Securities.

The Trustee and the Paying Agent shall return to the Company upon written request any money or securities held by them for the payment of any amount with respect to the Securities that remains unclaimed for two years, subject to applicable unclaimed property laws. After return to the Company, Holders entitled to the money or securities must look to the Company for payment as general creditors unless an applicable abandoned property law designates another person.

#### 16. Amendment; Waiver.

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding and (ii) certain Defaults may be waived with the written consent of the Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding. Subject to certain exceptions set forth in the Indenture, without the consent of any Securityholder, the Company and the Trustee

may amend the Indenture or the Securities to cure any ambiguity, omission, defect or inconsistency, or to comply with Article 5 or Section 11.16 of the Indenture, to secure the Company's obligations under this Security or to add to the Company's covenants for the benefit of the Securityholders or to surrender any right or power conferred, or to comply with any requirement of the SEC in connection with the qualification of the Indenture under the Trust Indenture Act of 1939 and any amendment thereof, or as necessary in connection with the registration of the Securities under the Securities Act or to make any change that does not adversely affect the rights of any Holders.

#### 17. Defaults and Remedies.

Under the Indenture, Events of Default include (i) default in the payment of contingent interest when the same becomes due and payable or of semiannual interest which becomes due and payable upon exercise by the Company of its option provided for in paragraph 11(a) hereof which default in any such case continues for 30 days; (ii) default in payment of the Principal Amount at Maturity (or, if the Securities have been converted to semiannual coupon notes following a Tax Event, the Restated Principal Amount), Initial Principal Amount plus accrued Original Issue Discount, Accreted Principal Amount, Redemption Price, Purchase Price or Change in Control Purchase Price, as the case may be, in respect of the Securities when the same becomes due and payable; (iii) failure by the Company to comply with other agreements in the Indenture or the Securities, subject to notice and lapse of time; (iv) (a) failure of the Company to make any payment by the end of any applicable grace period after maturity of Debt in an amount in excess of \$50,000,000, or (b) the acceleration of Debt in an amount in excess of \$50,000,000 because of a default with respect to such Debt without such Debt having been discharged or such acceleration having been cured, waived, rescinded or annulled, subject to notice and lapse of time; provided, however, that if any such failure or acceleration referred to in (a) or (b) above shall cease or be cured, waived, rescinded or annulled, then the Event of Default by reason thereof shall be deemed not to have occurred; and (v) certain events of bankruptcy or insolvency. If an Event of Default occurs and is continuing, the Trustee, or the Holders of at least 25% in aggregate Principal Amount at Maturity of the Securities at the time outstanding, may declare the Accreted Principal Amount through the date of such declaration, and any accrued and unpaid interest (including semiannual interest and contingent interest) if any, through the date of such declaration, on all the Securities to be due and payable immediately. Certain events of bankruptcy or insolvency are Events of Default which will result in the Accreted Principal Amount on the Securities, and any accrued and unpaid interest (including semiannual interest and contingent interest) if any, through the occurrence of such event, becoming due and payable immediately upon the occurrence of such Events of Default.

Securityholders may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security reasonably satisfactory to it. Subject to certain limitations, Holders of a majority in aggregate Principal Amount at Maturity of the Securities at the time outstanding may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Securityholders notice of any continuing Default (except a Default in payment of amounts specified in clause (i) or (ii) above) if it determines that withholding notice is in their interests.

18. Trustee Dealings with the Company.

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

19. No Recourse Against Others.

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Securityholder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

20. Authentication.

This Security shall not be valid until an authorized officer of the Trustee manually signs the Trustee's Certificate of Authentication on the other side of this Security.

21. Abbreviations.

Customary abbreviations may be used in the name of a Securityholder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with right of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).
